What is a Local Offer and who is it for?

WHAT IS A LOCAL OFFER?

At Haringey Council, we have a special responsibility to look after our care leavers. We always try to provide you with the best possible support and care.

We have a legal duty under The Children and Social Work Act 2017 to publish our Local Offer to you as care leavers.

This document is our Local Offer for care leavers. It explains the support and services that are available to you if you are a Haringey Council care leaver aged between 16 and 25 years old.

WHO IS THE LOCAL OFFER FOR?

You are eligible for our support if you've been in care:

- for at least 13 weeks between the ages of 14 and 16 (including your 16th birthday) or
- for 13 weeks after your 16th birthday

We offer advice, guidance and support to young people who:

- are leaving care from the age of 16, up to your 25th birthday. You can get support from a Personal Advisor at any point up until 25, if that is what you want.

Our commitment to you

Haringey Council is a 'corporate parent' to looked after children and care leavers.

'Corporate Parent' is quite a strange phrase. In plain English, it means the council should act like a good parent to its children in care and care leavers. We wish only the best for you. We want to ensure you have the best start as you transition into adulthood.

In everything we do, we are supporting you to be healthy, happy, safe and working towards your goals. Your Personal Advisor will support you in this journey.

There may be times when we disagree over tough decisions that we believe are in your best interests. When this happens, we promise to listen to your opinions, but we will always put your safety first. We will work hard to come up with solutions together to overcome tricky issues.

"As a council, we believe that every young person should be afforded the best start to their adult life. That's why I am delighted to endorse Haringey's Local Offer for care leavers, which sets out our commitment to provide continued support and guidance to young adults leaving care."

Cllr Amin, Cabinet Member for Children, Education and Families

"Becoming an adult and learning to live independently is a big life challenge for all young people. We will do our very best to be at your side all the way through your journey. The Local Offer describes the support and advice we will provide you with, but remember if you need just a friendly chat, we'll be here for that too."

Ann Graham, Director of Children's Services

Your Personal Advisor and Pathway Plan

PERSONAL ADVISOR (PA)

You will have an allocated worker called a Personal Advisor, who will:

- meet you for a chat at a place where you feel comfortable
- visit your home to make sure it is suitable and safe for you
- keep an eye on your progress or difficulties you might have
- help you with decisions about your future
- listen to your wishes and feelings
- support your relationships with other professionals.
- help you to achieve your goals, making sure you have what you need to succeed in the future
- keep talking with you even when we disagree. We will always explain our reasons for taking a decision
- link you to an Independent Advocate. You have the right to be heard and taken seriously. Your Advocate can speak for you if you have concerns.

We know the relationship between you and your PA is really important. Wherever possible we will try to ensure you keep the same personal advisor. When this is not possible, we will explain why.

PATHWAY PLAN

Everyone from 16-21 years old has a Pathway Plan which we will review and update until you turn 25.

The Pathway Plan is your plan towards full independence and adulthood. It will cover your:

- education, employment or training
- health and wellbeing
- finances
- housing
- important relationships
- immigration status if you are an Unaccompanied Asylum-Seeking Child (UASC)
- decisions and actions identified in your best interest
- your wishes, feelings and goals.

You may find creating your Pathway Plan a bit confusing at first, but remember - it's your Plan - you are in control of it! You can get creative with your Plan. Ask your PA to bring along a 'vision board' to help with this.

You can ask other people to help you with your Plan. This might be other professionals or people close to you.

Together, you and your PA will review your Pathway Plan every six months to make sure your goals are still up-to-date and on track. You can bring your review forward if you wish.

If there is anything you do not like or do not understand, please ask your social worker or Personal Advisor.

Housing and living independently

WHAT ARE YOUR HOUSING OPTIONS?

Getting set up in your new home is one of the most important aspects of becoming an independent adult.

SUPPORT TO PREPARE FOR INDEPENDENCE

Learning to live independently for the first time is a big challenge. Suddenly, you are responsible for paying rent, gas, electric, water, travel and food costs. That's why we have put in place workshops to provide you with the skills you need to thrive. These include:

Your Personal Advisor will also support you to apply for the right benefits so that you are able to pay rent.

I AM READY FOR MY OWN FLAT, HOW DO I GET IT?

Once you have attended the workshops and you have been assessed as ready for independent living, you will be able to bid for properties.

Your Personal Advisor will be able to support you to do this. When a viewing becomes available, please let your Personal Advisor know so they can come with you.
