<p>RECOMMENDATIONS</p> <p>The North Central London Joint Health Overview & Scrutiny Committee is asked to:</p> <ul style="list-style-type: none"> a) Note the work plan for 2020-21; b) Consider proposals for agenda items for meetings in 2021/22; c) Agree provisional items for the first meeting of the Committee of 2021/22, which will be on 25 June 2021. 	

1. Purpose of Report

- 1.1 This paper outlines the areas that the Committee has chosen to focus on for 2020-21. The Committee is asked to note the list of topics that have been considered during the current year as well as matters that have been identified as potential agenda items but not yet considered. These are listed in **Appendix A**.
- 1.2 The next meeting of the JHOSC is scheduled to take place on 19 March and will be the final meeting of 2020/21. The after this will be the first of the 2021/22 year take place on 25 June. The Committee is asked to consider agenda items for future meetings and, in particular, the meeting on 25 June. These can be topics previously identified or new ones.
- 1.3 Meetings are likely to need to continue to be virtual for the foreseeable future. If and when this changes during the current year, arrangements will have to be made to identify suitable venues for meetings.

2. Terms of Reference

- 2.1 In considering suitable topics for the JHOSC, the Committee should have regard to its Terms of Reference:
 - “To engage with relevant NHS bodies on strategic area wide issues in respect of the co-ordination, commissioning and provision of NHS health services across the whole of the area of Barnet, Camden, Enfield, Haringey and Islington;
 - To respond, where appropriate, to any proposals for change to specialised NHS services that are commissioned on a cross borough basis and where there are comparatively small numbers of patients in each of the participating boroughs;
 - To respond to any formal consultations on proposals for substantial developments or variations in health services across affecting the areas of Barnet, Camden, Enfield, Haringey and Islington and to decide whether to use the power of referral to the Secretary of State for Health on behalf of Councils who have formally agreed to delegate this power to it when responding to formal consultations involving all the five boroughs participating in the JHOSC;
 - The joint committee will work independently of both the Cabinet and health overview and scrutiny committees (HOSCs) of its parent authorities, although evidence collected by individual HOSCs may be submitted as evidence to the joint committee and considered at its discretion;
 - The joint committee will seek to promote joint working where it may provide more effective use of health scrutiny and NHS resources and will endeavour to avoid duplicating the work of individual HOSCs. As part of this, the joint committee may establish sub and working groups as appropriate to consider

issues of mutual concern provided that this does not duplicate work by individual HOSCs; and

- The joint committee will aim to work together in a spirit of co-operation, striving to work to a consensual view to the benefit of local people .”
