**1. Describe the issue under consideration**

1.1 The Corporate Committee is responsible for reviewing and approving the annual internal audit plan as part of its Terms of Reference.

**2. Cabinet Member Introduction**

2.1 Not applicable.

**3. Recommendations**

3.1 That the Corporate Committee reviews and approves the updated Annual Internal Audit Strategy and Plan for 2021/22 (Appendix A) and the Internal Audit Charter (Appendix B).

**4. Reasons for decision**

4.1 Local authorities are required by law to maintain an internal audit function. In addition, The Accounts and Audit Regulations 2015 reinforce the statutory requirement and re-state the need for the Council to maintain an adequate and effective system of internal audit.

4.2 The annual internal audit plan is a key element in delivering the Council's statutory requirements. The Corporate Committee is responsible for ensuring that this is in place and approving the Council's Annual Internal Audit Plan.

**5. Alternative options considered**

5.1 Not applicable.

**6. Background information**

6.1 The methodology for developing the Internal Audit Plan focuses upon the quantification of the risks associated with achieving corporate and directorate objectives. At Haringey, the Internal Audit service is delivered by Mazars, who undertake the majority of the internal audit work in accordance with the contract in place, including IT and procurement audit. For 2021/22, the Deputy Head of Audit and Risk Management created following a restructure will continue to support the Head of the Service in ensuring key risks are captured at the

planning stage of the audit. The Head and Deputy of the team will manage the delivery of the audit plan and complete some audits themselves.

- 6.2 The in-house corporate anti-fraud team is responsible for investigations into allegations of financial irregularity, pro-active and reactive corporate anti-fraud work, provision of advice on risk and controls and some grant certification work.
- 6.3 Appendix A contains the proposed annual audit plan for 2021/22, which is risk based and has been derived following consideration of: the Borough Plan and related Priorities; organisational changes; risk registers; corporate programmes and projects; the Annual Audit and Inspection Letter; changes to legislation; and fraud investigation work completed in 2020/21.
- 6.5 Appendix A also includes the audit strategy, and Appendix B the Charter which was used to deliver the Council's internal audit plan. The strategy and charter comply with the statutory 2017 UK Public Sector Internal Audit Standards (PSIAS), which provide a consistent framework for internal audit services across the UK public sector.

## **7. Contribution to strategic outcomes**

- 7.1 Internal audit is an important element of the Council's assurance processes. The internal audit and counter-fraud teams make a significant contribution to ensuring the adequacy and effectiveness of internal control throughout the Council, which covers all Priority areas. The annual audit plan is a key element in ensuring the Council complies with its statutory responsibilities.

## **8. Statutory Officers comments (Chief Finance Officer (including procurement), Assistant Director of Corporate Governance, Equalities)**

### 8.1 Finance and Procurement

There are no direct financial implications arising from this report. The work which will be completed by Mazars to undertake the annual audit plan in 2021/22 is part of the contract, which was re-let following Cabinet approval in January 2018 in accordance with EU regulations. The costs of this contract are contained and managed within the Audit and Risk Management revenue budgets, which are monitored on a monthly basis.

The presentation of the attached draft annual internal audit plan for approval by this Committee meets the Council's statutory requirement under the 2015 Accounts and Audit Regulations.

### 8.2 Legal

Head of Legal & Governance (interim) has been consulted in the preparation of this report, and in noting that the plan and strategy follow best practice and industry standards respectively, confirms that there are no direct implications arising out of the report.

### 8.3 Equality

The Council has a public sector equality duty under the Equality Act (2010) to have due regard to:

- tackle discrimination and victimisation of persons that share the characteristics protected under S4 of the Act. These include the

characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (formerly gender) and sexual orientation;

- advance equality of opportunity between people who share those protected characteristics and people who do not;
- foster good relations between people who share those characteristics and people who do not.

As contracted providers of Haringey Council, the internal audit contractor is required to demonstrate a strong commitment to equality and fairness in their actions and work practices, and adherence to the Equality Act 2010. Ensuring that the Council has effective internal audit and assurance arrangements in place will also assist the Council to use its available resources more effectively.
