**Reason/s for representation**

*Under the Licensing Act 2003, for a representation to be relevant it must be one that is about the likely effect of the application on the promotion of the four licensing objectives. Any representations that are considered to be vexatious or frivolous will not be considered (please see Haringey Council's leaflet **Variations, Representations and Appeals for Premises Licences and Club Premises Certificates**).*

*Fill in reason/s for your representation in the space provided under each Licensing Objective it relates to.*

**The Prevention of Crime and Disorder:**

**The premises is situated at a crossroads-corner.  
Due to potential overcrowding instances and potential drunken behaviour Disorder is at High risk & at this spot especially at night .**

**The premises front door is only 3 meters from the high road.**

**Public Safety:**

**Personally I have grandchildren & considering other neighbourhood children this late hour request will be a menace and endanger public safety & child safety on & off the premises as there is No garden.**

**I myself do not feel safe with the noise and drinking on the pavement.**

**We already have to stay 3 meters apart . Practically there is no safe and permissible space for the public to pass clientele at present.**

**There is No Garden for this premises, only the high street;s pavement. Thus giving minimal passage space for free pedestrians.**

**Smoking goes with Drinking. The pavement will become unpassable. Especially at nights.**

<p><b>The Prevention of Public Nuisance :</b></p> <p><b>There are already 3 minimum bars in the immediate proximity. The already intolerable noise from existing late night clientele has become intolerable for domestic residences.</b></p> <p><b>The Police and Noise Department have no time to maintain this Nuisance.</b></p>
<p><b>The Protection of Children from Harm:</b></p> <p><b>Having young children this late hour request provokes stability and safety in our neighborhood.</b></p> <p><b>I wish you could decline this request</b></p>
