The Prevention of Crime and Disorder

I want to make representation with regards to the consumption of alcohol and the potential for anti-social behaviour and drunk and disorderly offences occurring.

Finsbury park is also a hotspot for theft from person, knife point robberies and violent offences. I understand it says that it ends at 9pm but realistically there will always be people loitering until 11 or 12 every night after, especially at weekends. This means these will all be potential victims to violent crime.

Public Safety

This relates closely to above, there is a spike in violent crime in the location, peak times for crime is in the late evening, 2000 hours to 0000 hours.

The Prevention of Public Nuisance

The Protection of Children from Harm

I, PC ELLIOTT SPRING 1216NA.....,hearby declare that all information I have submitted is true and correct.
