KEEPING MEMBERS SAFE

Innovation during COVID-19

COVID-19 is a reality we continue to live with. We have put every possible preventative and protective measure in place, and are evolving as we learn more. Our intention is to keep everyone safe without compromising the office experience.

We've reconfigured our spaces to promote social distancing, increased our already high hygiene standards and have treated all surfaces in public areas with a specialist long-life chemical that kills harmful bacteria on contact.

Physical distancing might be part of our new normal but collaboration and human interaction, at distance, remain at the heart of what we do. Clockwise is still committed to creating environments for you to focus and maximise your productivity so you can continue to grow your business.

DON'T JUST TAKE OUR WORD FOR IT...

“The working spaces are exceptional and varied, meaning that I can work in a quiet area one day, but have the option to work in a more community led communal space the next.”

Gary Langrish, Hogen Data, Liverpool

“The facilities are abundant, the décor is stylish and the Clockwise staff are outstanding. The flexibility offered at Clockwise provides comfort that as my business grows, I’m located in the perfect place to accommodate it.”

Tony McCafferty, Diversity Scotland, Glasgow

“The measures that Clockwise have put in place are excellent and have really eased my mind that staff members will be safe as we prepare to return to our office. They really have thought of everything and made it an easy decision for Simply to return to office working.”

Gary Coburn, Simply Asset Finance, Belfast

“Other than my own home, Clockwise is the only place I can relax and get some work done without worrying about COVID-19.”

Jacob Anderson, The Podcast Host, Edinburgh
