I would like the council to consider reducing the requested opening hours of Taco Bell, from 3am to midnight instead. The premises is on the edge of the Noel Park residential area. This area already suffers from high volumes of traffic, litter from the high street, and antisocial behaviour - mainly from individuals hanging around on the streets at night, running their car engines for lengthy periods, often in the middle of the night (after midnight), which is disturbing residents and adding to the already poor air quality in the area. No other premises on the high street is open beyond midnight, as far as I'm aware. I am concerned that allowing Taco Bell to open until 3am will encourage antisocial behaviour which will be a detriment to the residents of Noel Park.
Secondly I am concerned that another fast food restaurant will further exacerbate the litter problems in Wood Green high street, and Gladstone Avenue/ Noel Park area. Individuals regularly dump rubbish from their takeaways on the roads in Noel Park, as they eat the food in their cars and leave the remains on the road. This was already a very regular occurrence prior to the pandemic.
As Haringey council is already stretched for resources, it is clear that the litter has become difficult to stay on top of, and the presence of another fast food outlet will inevitably add to this issue. Unfortunately, we cannot rely on residents and visitors to Wood Green to make use of the public bins provided, or take their litter home with them.
