Subject: Re: LICENSING AUTHORITY REPRESENTATION: Application for a Premises Licence- Cafe, 238 Langham Road, Tottenham, London N15 3NB (WK/494832)

Hi Chanel,

Because its residential, and the noise can't be predicted that specifically, and to work with the local community, we propose the following conditions.

All outside areas must be closed and cleared of customers by 9pm Sunday-Thursday and 10pm Friday-Saturday. Adequate notices shall be displayed to inform patrons of this requirement.

The premises licence holder shall take appropriate measures to ensure that patrons using any outside areas do so in a quiet and orderly fashion.

Smoking Area: If patrons are to be allowed to use an outside area for smoking then:

- (i) The area must be adequately monitored by door staff and CCTV to ensure that patrons do not cause a nuisance, patrons do not obstruct access to adjoining premises and risk of crime and disorder in this area is adequately controlled.
- (ii) Patrons must not be allowed to take drinks to the smoking area.
- (iii) The area must be provided with suitable ashtrays/bins.
- (iv) The area must be regularly swept to remove cigarette ends
- (v) Adequate arrangements must be made to prevent overcrowding or disorder in the area

No music shall be played in the outside area at any time.

Many thanks.

Phil
