

Adults and Health Scrutiny Panel

Work Plan 2021 - 22

<p>1. Scrutiny review projects; These are dealt with through a combination of specific evidence gathering meetings that will be arranged as and when required and other activities, such as visits. Should there not be sufficient capacity to cover all of these issues through in-depth pieces of work, they could instead be addressed through a “one-off” item at a scheduled meeting of the Panel. These issues will be subject to further development and scoping. It is proposed that the Committee consider issues that are “cross cutting” in nature for review by itself i.e. ones that cover the terms of reference of more than one of the panels.</p>		
Project	Comments	Status
Adult Social Care commissioning	<p>This scrutiny review was established to examine the process behind commissioning decision-making including the overall strategic approach to commissioning, how decisions are tracked and measured, what key performance indicators are used, how return on investment is calculated and what criteria are used for tendering decisions.</p> <p>The final evidence sessions were held in March/April 2021 and the final report is expected to be published shortly.</p>	In progress
Sheltered Housing	<p>The aim of this scrutiny project is to review the current arrangements for the provision of sheltered housing in Haringey including the care and support provided to residents living in sheltered housing.</p> <p>Two evidence sessions involving senior officers, sheltered housing residents and support and well-being workers have been set up to take place in September 2021.</p>	Evidence gathering to begin in Sep 2021
