To whom it may concern

Dear sir,

I am very happy to have El rincon Dominicano as neighbours,

since they have their business the area outside and sometimes mine is always clean and tidy they take good care a of the their customers and it's a pleasure to have them around .

I am sure they will be responsible, serious and careful not only about the security of the people in their establishment but also the neighbourhood and I am sure they will follow the guidelines of their license

Kind regards

To whom it may concern

My name is Juan Carlos Gonzalez and I live just above the el Rincon dominicano shop, I support their application as I know them to be a responsible people and they will be taking proper care of familys with children as well as avoiding any antisocial behaviour they are very mindful about keeping the noise at low levels and respecting everyone.

A place like this is a great support for the community specially in these times of isolation and instability .

If you have any queries, please let contact me directly

Kind regards

Juan Carlos Gonzalez
