1. Describe the issue under consideration

This report provides an update to the Children & Young People DMT and Community Safety Partnership regarding the Haringey Community Gold programme 2019-21, which was approved by Cabinet in March 2019. It sets out progress made in the delivery of commitments made against the Young People at Risk Action Plan and in terms of governance arrangements. Greater London Authority funding comes to an end on 31st December 2021. It seeks to inform the CSP about the now available HCG resources online.

2. Recommendations

That the Panel note the contents of this report for information, inviting the CSP to browse content available from (www.haringey.gov.uk/hcg) particularly the reports section and the 'Our impact - mini-documentary about Haringey Community Gold'.

It invites the CSP to contribute their views to contribute towards the end of programme review being carried out in the winter of 2021.

3. Background information

The Greater London Authority announced the success of Haringey's Young Londoner Fund bid application in November 2018. The Haringey Community Gold programme was approved by Cabinet in March 2019. It represents an extensive programme of activity across a consortium of Voluntary and Community Sector (VCS) delivery partners including delivering activity at neighbourhood level across the borough. Activity includes extensive outreach

and engagement, employment support, sports and play, mentoring, mental health, and leadership training.

The management of the programme delivers partnership work with the police, schools, health providers, and community groups, the overarching objective (pairing the Young People at Risk Action Plan) of which is to reduce and prevent serious youth violence in the borough. It adopts a public health model, designed to address the risk factors that may make young people more vulnerable to involvement in violent crime while building the protective factors that keep them safe and prioritising preventative and early interventions.

The Haringey Community Gold (HCG) delivery plan, including the long-term outcomes and medium-term priorities, are informed by ongoing extensive engagement with partners and young people in Haringey.

Governance

A Joint Executive Group lead the delivery of the Young People at Risk Strategy across the partnership. The Group is chaired by the Director of Children's Services and other members include:

- The Cabinet Member for Communities and Equalities,
- The Cabinet Member for Children, Education, and Families
- The Assistant Director for Commissioning
- The Assistant Director for Stronger Communities
- Metropolitan Police North Area BCU Borough Commander
- Representatives from Haringey CCG, Barnet Enfield Haringey Mental Health Trust, North Middlesex Hospital NHS Trust, Haringey Education Partnership, Haringey Primary and Secondary schools, Homes for Haringey, and Bridge Renewal Trust

The Group has continued to meet through the Covid-19 outbreak in order to promote the safety of Haringey's young people across the partnership and plan and co-ordinate joint initiatives.

5. Contribution to strategic outcomes

The Young People at Risk strategy supports the following Haringey Borough Plan (2019-23) outcomes:

- Best Start in Life: The first few years of every child's life will give them the long-term foundations to thrive
- Happy Childhood: All children across the borough will be happy and healthy as they grow up, feeling safe and secure in their family, networks and communities
- Every young person, whatever their background, has a pathway to success for the future
- All residents will be able to live free from the fear of harm
- Strong communities where people look out for and care for one another
- A proud, resilient, connected, and confident place
- A safer borough

Haringey works in partnership with the Mayor of London's administration to tackle youth violence through liaison and joint working with the Mayor's Office of Police and Crime and the Metropolitan Police Service. The strategy fully aligns with the Mayor's Knife Crime Strategy and is integrated with the North Area Violence Reduction Plan
