Type of Application: **New Premises Licence**

In summary, I wish to make representation on the following:

- Prevention of crime and disorder
- Prevention of public nuisance
- Public safety

Having read and considered the application, we propose the following wording if a Premises License is to be considered and/or granted.

1) A digital CCTV system must be installed in the premises complying with the following criteria:

- (a) Cameras must be sited to observe the entrance doors from both inside and outside.
- (b) Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
- (c) Cameras must be sited to cover all areas to which the public have access including any outside smoking areas.
- (d) Provide a linked record of the date, time of any image.
- (e) Provide good quality images - colour during opening times.
- (f) Have a monitor to review images and recorded quality.
- (g) Be regularly maintained to ensure continuous quality of image capture and retention.
- (h) Member of staff trained in operating CCTV at venue during times open to the public.
- (i) Digital images must be kept for 31 days. The equipment must have a suitable export method, e.g. CD/DVD writer so that Police can make an evidential copy of the data they require. Copies must be available within a reasonable time to Police on request.

2) An incident log shall be kept at the premises, it will be in a hardback durable format

handwritten at the time of the incident or as near to as is reasonable and made available on request to the Police, which will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) seizures of drugs or offensive weapons
- (f) any faults in the CCTV system or searching equipment or scanning equipment
- (g) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service.

3) A minimum of 2 SIA approved contractor scheme door supervisors shall be employed on the premises on days the venue is open from 2000 hours, until the premises has closed. At least one door supervisor shall remain directly outside the premises for 30 minutes after the premises has closed or until all customers have dispersed. The duties of these staff will include the supervision of persons entering and leaving the premises to ensure that this is achieved without causing a nuisance. This also includes the following:

- a) Door supervisors shall wear yellow reflective jackets so they can be easily identified
- b) Written or electronic records of the date, time, name and badge number of all door supervisors shall be kept each day and verified by the manager. These records shall be made available to Police or the Local Authority on request.
- c) The designated premises supervisor or a member of the management shall check door supervisor's registration on the Security Industry Authority (SIA) website to ensure their licenses are current. Written records of these checks shall be maintained, signed and dated by the person completing the checks. If the same people are used, these checks should be carried out monthly. The records shall be kept for 12 months and made available to Police or the local authority on request.

4) Appropriate smoking area at the premises advised. A record shall be kept of the times, dates and any issues discovered. These records shall be kept for six months. Records must be made available to an authorised officer of the Council or police upon request. This also should include the following;

- a) At least six prominent, clear and legible notices shall be displayed throughout the premises, including all toilets warning customers that smoking within premises will not be tolerated.
- b) Signs shall be prominently displayed on the exit doors advising customers that alcohol should not be taken off the premises and consumed in the street. These notices shall be positioned at eye level and in a location where they can be read by those leaving the premises.

The applicant has requested a 01:00am finish, Sunday to Monday with the sale of alcohol being until 2330, Sunday to Thursday and a Friday and Saturday being 0030hours. Late night refreshments have also been requested Sunday to Saturday 2300-0100hrs. As the applicant has not previously held a licence nor has an

extensive history of being a premises license holder, and the venue is known to police to have operated licensable activity without a licence, this has resulted in a lack of confidence in the applicant's ability to manage such a late licence.

Recent dates to this application complaints have been made in regards to this premises.

On 21/09/2021 the following complaint was made;

We have received a noise complaint regarding a bar/restaurant. The informant stated that there are parties into the early hours of the morning every weekend. This is causing a lot of stress for them and their children. They also state that during the week the building alarms are also triggered due to staff smoking from the kitchen restaurant.

On 18th September 2021 the venue was visited where the following was found;

22:52 hours, observed a lot of people inside dancing to loud music, being served alcohol and consuming alcohol in the premises, Ricon De Yirda, 487 Seven Sisters Road N15.

The name of the owner is Yirda Turbi Rosario. The owner did not have premises capacity to hand and she didn't know the number of people in the Parmenides. There was no door supervisor on site also. They were playing Columbian music and they had people standing and dancing.

There was no TEN application for the above date and alcohol was being served without holding a license.

We are instead requesting the following times, with last entry time of 00:00 hours Fri- Sat.
