My name is Isabelle Langlois and I live, on my own, on 46b Park Road N8 8TD; my flat is on the ground floor entrance at the back of the house. My bedroom is right next to the commercial property (Alp Cafe) as per my living room; my little courtyard is right next to their backyard.

I have **a dog and 2 cats** who use my outdoor space and the rest of the communal space and having delivery men, customers and staff walking around and doing noise 7 days a week from 7:00am until 11:00pm is something **I do not accept. My pets won't be free to be outside anymore, the food smell coming from this new business's kitchen** will invade the courtyards as it is quite a secluded outdoor space surrounded by houses. And should they have extractor for the kitchen, the racket of this machine will be a noise pollution for the resident living around this new business.

They're offering deliveries which means the **Deliveroo and similar companies, motorbike drivers will either block the very narrow pavement** at the front of the café on Park Road, or come at the back entrance via New Road in this small and dark alley, which is where I live with my pets. **So a lot of traffic, drivers waiting and standing right in front of my forecourt and on New Road, noise, disturbing the residents' lives here.** And as a single woman, living on my own, having these drivers and staff standing, waiting, walking around just where I live makes me feel extremely uncomfortable and unsafe.

Also, when the staff will use the backyard to take breaks, smoke cigarettes, chat, watch a movie on their phone or anything else, it will **bring more noise and unpleasant smell for us residents, stopping us to open our windows or spend time outside.**

I am a big supporter of new businesses and have nothing personal against this business owner, but the location for such catering business must be picked right and with so many residents and small spaces around, 42A – 44 Park Road N8 8TD is not a place for a 7 days a week cafe serving food, alcohol and deliveries.

I urge you please, for my own mental wellbeing, sake and safety, to not allow this business to open here,.

I look forward to hearing

Kind regards,  
Isabelle
