

COUNCIL MEETING – 6 FEBRUARY 2006

LATE ITEMS OF URGENT BUSINESS

The Chief Executive

Mr Mayor, I am asking you to agree the admission of the following late items of business, which could not be available earlier, and which need to be dealt with at this meeting. The reasons for lateness and urgency are given in the report laid round.

Item 7 – To consider a “State of the Borough” report by the Leader of the Council

The State of the Borough Report was not available at the time of the despatch as it was still being compiled in order to ensure that the most up to date information was available

Item 10 – Appointments to Outside Bodies

My report was not available at the time of despatch as the proposed appointments to outside bodies had only recently been considered at Party Group meetings. It is urgent in order to permit changes to be made to outside body appointments.

Item 12 – To receive Questions

Notice of questions is not requested until 5 clear days before the meeting, following which the matters raised have to be researched and replies prepared to be given at the meeting.

Item 13 – Report No15 of the Executive and report of General Purposes Committee

The Executive report is late because the Executive only met and approved this report on 31 January 2006 after the despatch of the Council Summons on 27 January 2006.

The General Purposes report is late because General Purposes met and approved this report at it's special meeting on 30 January 2006.

Both reports are urgent as they contain recommendations to the Council.
