Dear Ms Barrett,

RE: Trocadero Café Late Licence Application

We should like to submit an objection to the application for a licence to serve alcohol between the hours of 11pm and 5am at the Trocadero Café on St Loy's Road.

We have passed the café many times in recent months when collecting items from the sorting office or visiting family nearby, and have noticed a large increase in the amount of litter on the streets near the café. This raises concerns over safety, as well as being unattractive. We are also concerned that groups seem to gather in this area, often drinking alcohol, which makes it a difficult area in which to walk, particularly for the elderly and for children.

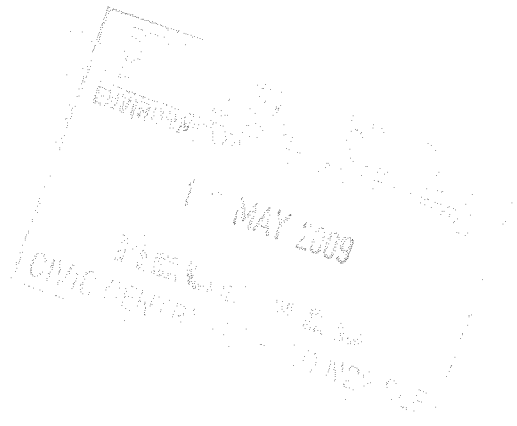

We ask that the application be refused, as we believe it will increase the current problems of causing a public nuisance and making the area unsafe.

Yours sincerely,

James Carey

Dear Madam

Re: Trocadero Café Late Licence Application
St Loys Road

OBJECTION TO ABOVE APPLICATION

Background:

I have lived on St Loys Road since March 2003. The distinguishing feature of the area are the groups of people hanging around during the day, evening and night. The group/s chat and socialise on the street. Some drink and will urinate at any convenient spot. The chief irritation of the group is the sheer volume, duration and guttural vibration of their discourse. Apart from the noise and drinking they are quite courteous and well behaved.

The Group Numbers can vary from two bodies to thirty. There is a dynamic interplay with members changing groups and moving from Street to café to off licence to car etc etc

Like any group behaviour there are troughs and peaks. However living close to the problem it seems constant and unremitting. The only breaks are for rain and snow.

Due to the behaviour of the group/s the area has been an ASBO dispersal zone for many years.

Specific Objection: Prevention of public nuisance

- I. A large proportion of the people who presently cause a nuisance on the street are customers to some degree of the Café. The street has become appropriated over many years as their social space. That behaviour is difficult to unlearn as the Police have discovered. Granting the Group a space in the café to buy alcohol from 2300 to 0500 will just give them fuel to stay longer on the street. Net result; more noise and piss.
- II. The café has a small capacity for bodies. Therefore when full people will congregate outside with attendant noise and nuisance.
- III. The late licence will attract more people to the area at night. Hence more noise (from cars and people) and antisocial behaviour.

- IV. People frequenting the café from 2300 to 0500 will not remain stuck in the café. They will come out for fresh air and cigarette smoking. Particularly in summer this will be a problem.

Specific Objection: Public Safety

More people will loiter in the street after 2300hrs due to the license. Hence women passing through the area may feel threatened when seeing guys hanging around.

I will be quite happy to attend the Hearing and give a residents view if required.

Regards

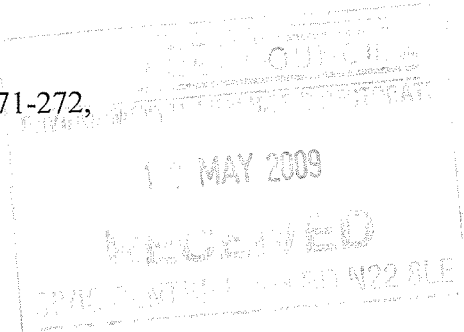

Patrick L Prevatt

Dear Ms Barrett,

RE: Trocadero Café Late Licence Application

We are writing to object to the application for a licence to serve alcohol between the hours of 11pm and 5am at the Trocadero Café on St Loy's Road.

We have only resided on Sperling Road for a little over three months, but have already witnessed on numerous occasions the problems caused by those frequenting the Trocadero Café. These seem to be particularly prevalent in the evenings, when large groups of men congregate outside the Trocadero Café drinking alcohol which is not only very intimidating for those walking past, especially as the groups leave little space for pedestrians to pass, but also creates a large amount of noise which causes a public nuisance to local residents. Furthermore, we have often witnessed litter being either left on the street, or thrown over the wall next to the railway bridge. As the litter generally includes cans and bottles, this not only makes the surrounding area dirty and unsightly, but also presents a severe safety concern, especially for those with children.

As the Trocadero Café has already caused problems to those who live and work in the area, resulting in the current six month police operation in the neighbourhood, it seems ludicrous to consider allowing the serving of alcohol from this establishment until the early hours of the morning. This would surely compound the existing problems of litter and domination of the pavement area affecting public safety and generally causing a public nuisance.

We therefore ask that the licence application be refused, and that any business permits currently held by the Trocadero Café be reviewed given its already negative impact on the neighbourhood and wider community.

Yours sincerely,

Ann Carey

Dear Ms Barrett

RE: Trocadero Café Late License Application

I am aware that the Trocadero café on St Loy's Road has applied for a license to serve alcohol between the hours of 11pm and 5am. I am objecting to this application on the following objectives:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance

To serve alcohol during these hours will lead to a buildup of people in the neighbourhood and under intoxication there is a trend that this will lead to drunk and disorderly behavior and also attract drug related problems. These two combined will mean an increase in gang related crime and fighting within the area. I feel that the public safety within the vicinity will be strongly compromised. The buildup of large groups of people will also lead to noise and abusive language/behavior being used so will be a burden on public nuisance.

All of the mentioned have been cases which I have been a witness to and experienced in the past. I do not wish to go through the same ordeals all over again this is why I am strongly opposed to this application. I live within 100yards of the Trocadero Café Late License applicant.

Kind regards

Jitendra Bhatti

I would like to contest this application for the below to sell Alcohol and express my reasons why it shouldn't go through, and the problems it causes on St Loy's Road at present.

- 1..... MIDDLE OF A HEAVILY POPULATED RESIDENTIAL AREA.
- 2..... EXCESSIVE NOISE LEVELS AT UNREASONABLE ~~AT~~ HOURS
- 3..... POSSIBLE CONGESTION DUE NOS OF PEOPLE & VEHICLES
- 4..... MAY RESTRICT ACCESS FOR FIRE APPLIANCES.
- 5..... POSSIBLE CONFLICT DUE TO RESIDENTS & PATRONS CLASHING
- 6..... INSUFFICIENT PARKING IN AREA.

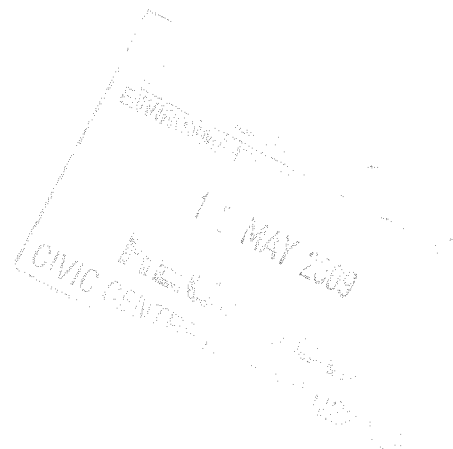

Signed.....
