

## Adults and Health Scrutiny Panel

### Work Plan 2021 - 22

<p><b>1. Scrutiny review projects;</b> These are dealt with through a combination of specific evidence gathering meetings that will be arranged as and when required and other activities, such as visits. Should there not be sufficient capacity to cover all of these issues through in-depth pieces of work, they could instead be addressed through a “one-off” item at a scheduled meeting of the Panel. These issues will be subject to further development and scoping. It is proposed that the Committee consider issues that are “cross cutting” in nature for review by itself i.e. ones that cover the terms of reference of more than one of the panels.</p>		
<b>Project</b>	<b>Comments</b>	<b>Status</b>
Adult Social Care commissioning	<p>This scrutiny review was established to examine the process behind commissioning decision-making including the overall strategic approach to commissioning, how decisions are tracked and measured, what key performance indicators are used, how return on investment is calculated and what criteria are used for tendering decisions.</p> <p>The final evidence sessions were held in March/April 2021 and the final report is expected to be published shortly.</p>	In progress
Sheltered Housing	<p>The aim of this scrutiny project is to review the current arrangements for the provision of sheltered housing in Haringey including the care and support provided to residents living in sheltered housing.</p> <p>Evidence sessions began in September 2021. Site visits to sheltered housing schemes are planned in December 2021.</p>	In progress
