

Hello Sam,

You cannot include the public highway in the layout plan as it is not part of the premises. You can make a separate application for a pavement licence to place tables and chairs on the pavement but this means there must be at least 2m that is kept free for pedestrian flow.

I take it the area will just be used for consumption of alcohol by customers and no actual sales will be taking place in this area?

Regards

Daliah Barrett

Hello Daliah,

I believe it is public highway and will therefore require a separate application.

Best wishes,

Sam.

Hi Sam

Please clarify if that external front seating area is on private land or the public highway?

Regards

Good afternoon Duncan,

Unfortunately planning permission was passed some years ago to allow the conversion of what had been the pub's garden into residential accommodation.

Therefore the only area now suitable for smokers is to the front of the pub where we have shown tables and chairs (as per the attached plan).

We haven't yet submitted a food business registration form but I will do that online.

My mobile is if you need to speak with me about any of the above.

Best wishes,

Sam.

Sam

Application for a Premises Licence- The Winchester Hall Tavern, 206 Archway Road, Hornsey, London, N6 5BA (WK/517099)

I have been asked to comment on the above licensing application.

The ground floor plan which shows the external walls and also the licensable area (within a red lined area) does not seem to include a smoking shelter.

Could you tell me where the smoking area is to be, please, in relation to the plan I have with the application.? You can also send me a photo or sketch, if one is available.

Also, can you confirm if Northern Union Pubs has submitted a food business registration form, yet? If not, this can be done via our website. If you put 'register' into the search box, it will bring up 'register a food business' which you can click on.

Thank you in advance.

Duncan
