

## Overview and Scrutiny Committee

### Work Plan 2021-22

| <p><b>1. Scrutiny review projects;</b> These are dealt with through a combination of specific evidence gathering meetings that will be arranged as and when required and other activities, such as visits. Should there not be sufficient capacity to cover all these issues through in-depth pieces of work, they could instead be addressed through a “one-off” item at a scheduled meeting of the Panel. These issues will be subject to further development and scoping. It is proposed that the Committee consider issues that are “cross cutting” in nature for review by itself i.e. ones that cover the terms of reference of more than one of the panels.</p> |  |                 |
