Hi Stewart,

Thank you for the email.

I am able to postpone the hearing if that is being formally requested, if need be. However, the fact remains that the venue has continued to sell alcohol and provide licensable activity throughout the entire time with no regard to compliance with the law. Please see attached pictures of events advertised and conducted onsite up to 1<sup>st</sup> January 2022, with no authorisations being in place. The various flyers show all inclusive prices for food and alcohol, list alcohol that would be available onsite, advertises dance performances onsite etc, etc,

The LA is willing to speak with the proposed new DPS but clearly this is deeper than a DPS matter. Cornelia Cotlogut is ultimately responsible as the director of the company and it seems there is no direction about compliance with the law from the head of the company.

Please discuss with your client and let me know how they intend to deal with the ongoing non compliance. If they wish to have the matter postponed please confirm.

Regards  
Daliah Barrett  
Licensing Team Leader

Good morning Daliah.

Happy New Year to you.

I received this email last night from Cornelia Cotlogut, who is the sole director of Soffi & Co Ltd, who are the proposed premises licence holders for Clasic Restaurant.

This obviously has a bearing on Monday's hearing. I am not sure on the best way to proceed.

Could I suggest the hearing is adjourned for a couple of weeks to allow yourselves and the police to talk to the new proposed DPS?

Fanica is known to me. I obtained her premises licence for her shop on Barking Road last summer.

It does seem pointless now to hold the hearing given the fact that Alin is no longer involved in the business.

Please can you advise.

Kind regards

Stewart

Good evening Stewart.

It's come to my attention that there has been objections to the companie's premises licence application from the police and licensing authorities because of the unacceptable actions of the proposed DPS Alin Mandache, I decided to remove him from having any involvement with the company and the running of the business.

I would like to replace Alin as the DPS with Fanica Mosescu, licence number: Z01N0477HA/1, Waltham Forest Council.

I would like to apologise for the problems that my proposed DPS has caused in the past.

Thanks.
