7. Summary

New Local Filter Arrangements brought in

- 7.1 The Local Government and Public Involvement in Health Act 2007 and related Regulations made amendments to the previous system for dealing with complaints that Councillors and co-opted members have breached the Members' Code of Conduct. The main change was introduced and became effective in May 2008, and changes to the Council's Constitution to reflect these changes were agreed by Full Council in July 2008. The changes required local Standards Committees to receive, assess, review and determine complaints in place of the Standards Board for England (SBE).
- 7.2 The new arrangements were reported to the Standards Committee at its meeting on 13 June and agreed, and adopted by Full Council on 14 July 2008.
- 7.3 The Council's Standards Committee has set up two new sub-committees to discharge their new functions. The Assessment Sub-Committee decides if there is sufficient evidence to refer a complaint to the Monitoring Officer for investigation or

in the most serious cases to the SBE. If the decision is to take no action, an aggrieved complainant can request a review to be undertaken by a Review Sub-Committee with a different membership. Where a hearing into a complaint is necessary this will be undertaken by a Hearing Sub-Committee in accordance with existing procedures.

7.4 These Sub-Committees comprise members of the Standards Committee selected in rotation so far as is practicable. There will always be at least one elected Councillor but the Chair must be an independent member under the Regulations.

7.5 Since the membership of the Sub-Committees is not fixed but selected in rotation, power has been delegated to the Head of Local Democracy and Member Services to appoint the membership for meeting in consultation with the Chair of the Standards Committee and the Monitoring Officer, detailed in the Scheme of Delegation to Officers (Appendix E, Part F.7, Section 9, paragraph 1.4 of the Constitution).

7.6 Granting exemptions from political restriction to Council posts

The amendments to the legislation also gave local Standards Committees a new role, replacing the national adjudicator, in granting exemptions to officers at or above SCP 44 whose grade would otherwise place their posts within the list of those politically restricted. If a post below Deputy Chief Officer level does not require the officer to give regular advice to Member bodies/Committees or to speak regularly to the media as a Council representative, then the Standards Committee will be able, on the officer's application, to grant an exemption from political restrictions. Any person can ask the Standards Committee to consider whether to direct the inclusion of any post within the politically restricted list applying the criteria above.

**ANNUAL REPORT OF THE STANDARDS COMMITTEE: 2008/09
COUNCIL 20 JULY 2008**

1. Introduction

This item reports on the activities of Standards Committee for the Municipal Year 2008/09 and gives information on the monitoring of the Members' Code of Conduct and of complaints against Members.

Standards Committees for all Authorities have been and are going through a period of major change due to the implementation of the 2007LGA and the publication of a new Model Code of Conduct which Haringey -in common with other Authorities- has adopted, unamended, as its own Code.

The Register of Interests is available for all to view both in hard copy and on the Council's website. Individual declarations made at meetings are also able to be viewed on-line as part of meetings' minutes. The Opt-In option has continued to be applied to the online version of the Register Of Interests as with the old Register Of Financial Interests.

Independent Members

The Committee welcomes the appointment of Rachel Chambers & Jonathan Batterham as a new independent members, who were appointed in April 2009, and confirmed on May 18 2009 at the Council's AGM. The Committee organised the recruitment to the positions and was able to select both from a large, high-quality pool of applicants. The vacancies have arisen as a result of (i) the increase in Independent Membership of the Standards Committee, as agreed by the Committee on 22 December 2008 and confirmed by Full Council on 19 January 2009, and (ii) the period of office of one of the existing Independent Members (Irene Francis) coming to an end on 18 May 2009. Ms Francis served on the Committee for an initial period of 2 years, extended for a further period until May 2009. The current Chair's (Mr Roger Lovegrove) period of office was further extended by 1 further year by Full Council on 18 May 2009 in order to allow for continuity, and to bring wealth of knowledge and expertise to the Committee given from serving for 3 years to date, which would assist the development of the 2 newly appointed Members.

The Standards Committee continues to work for the improvement of ethical standards in the Council in Haringey, and we look forward to another successful year ahead. We recognise that we would not be able to carry out our work without the support of Officers, whom we would like to thank.

Roger Lovegrove
Chair, Standards Committee
July 2009

Signatories to the Members' Code of Conduct

At the end of the reporting year all 57 Councillors had signed accepting the Code of Conduct, as had all independent Members of the Standards Committee.

There were also 2 Co-Opted Members on the Overview and Scrutiny Committee. Of these, both had signed.

Details of the Standards Committee

3.1 Political Breakdown

At the start of the reporting period, Standards Committee consisted of

4 Labour Councillors; 4 Liberal Democrat Councillors; 4 Independent Members

3.2 Changes in Membership

The committee welcomed four new Members at the beginning of the Municipal Year, Councillors Diakides, Mallett, Reid and Whyte, replacing Councillors Edge, Egan and Kober. We then welcomed Councillor Santry in early January 2009 who replaced Cllr Khan.

Following the increase in the Membership of the Independent Members of the Standards Committee by the Committee in December 2008, and confirmed by Full Council in January 2009, a recruitment process was commenced in February 2009 and the 2 vacancies were appointed to in April 2009 and confirmed by Full Council in May 2009, therefore the new appointed independent membership would be effective for the Municipal Year 2009/10.

3.3 Chair and Deputy Chair

Mr R Lovegrove & Ms I Francis and were elected, respectively, as Chair and Deputy Chair for the Municipal Year 2008/09.

3.4 Meetings

Three ordinary meetings and a number of training sessions were held during the year. The Minutes of Meetings held during the year, having been previously circulated, are available, by request, from the Standards Committee Secretary and for inspection in the Members' Rooms, prior to and immediately following the Council Meeting on 20th July 2009.

The Minutes are also available on the authority's website at <http://www.minutes.haringey.gov.uk> .

3.5 Monitoring Officer

The Committee was pleased to note the permanent appointment of John Suddaby as the Authority's Monitoring Officer.

3.6 New Arrangements and Local Filter

New arrangements for dealing with complaints under the Members' Code of Conduct which became effective from 8 May 2008 gave the Standards Committee the responsibility for assessing, reviewing and determining complaints that a Member has failed to abide by the Code of Conduct. The Standards Board for England would still determine cases in exceptional circumstances and will retain a responsibility for advising Standards Committees and overseeing the effectiveness of the new arrangements.

Training of Standards Committee Members in the new responsibilities took place in early June 2008 and the Assessment Sub-Committee has met on 6 occasions where no action has been taken on 1 complaint and 4 cases have been referred to the Monitoring Officer for investigation.

4 Register of Members' Interests (ROI)

The ROI is available for inspection, by appointment within normal working hours, at River Park House.

Additionally, a simplified version of the ROI is included on the Haringey Council website. The simplification consisted of:

- modification of entries by removal of personal contact details;
- an opt-in policy, designed to ensure Members are content that other details, such as employment details, could not lead to violation of their personal privacy.

5 Registration Form for Gifts and Hospitalities

5.1 Summary of Registrations

All signatories to the Members' Code of Conduct are required to register with the Monitoring Officer each Gift or item of Hospitality of value more than £25 received and arising out of their official positions. Registration of items valued at less than £25 was, and still is, voluntary.

Entries registered for items of gifts and hospitality offered during the year are available under each individual Member's Register of Interests. A summary by value of the items registered for the year is given in Table 1.

32 councillors and voting Co-Opted/independent Members registered at least one gift or instance of hospitality during the year.

TABLE 1: Values of gifts and/or hospitality

Value	Number of items registered	
	This Year (2008/09)	Last Year (2007/08)
Less than £25 ¹	3	4
£25-£50 ²	44	45
£50-£100	12	7
£100-£150	7	10
£150-£200	2	0
£200-£300	3	4
£300-£400	0	2
£400-£500	0	1
£500 or more	2	0
Approximate total value^{3,4}	£4,300	£ 4,300
No value declared	0	0
No. of items valued at £25 or more	70	69
Average value⁵ of such items	£61	£62

Attached Appendix B – details of the full register of gifts received in 2008/09

NOTES to Table 1:

1. The Members' Code of Conduct does not *require* registration of items valued at less than £25. Members may, however, voluntarily register such items if they wish.

2. Where the value of an item was declared by means of a range falling into more than one of the tabulated intervals then it has been included in the higher such interval. For example, if a value had been declared as "£30-£60" then it would have been shown against the interval "£50-£100".

3. For the purpose of enabling an approximate total value to be calculated from this Table, it is necessary to give each interval a representative value. This is the lower end of that interval; for example, the interval "£50-£100" has the representative value of £50. Consequently, items valued at less than £25 are not included in the approximate total value, and items in the range "£500 or more" have been treated as if valued at £500.

4. The final approximate total, shown, has been rounded *up* to the nearest £100.
5. Average value of such items = Approximate total value/No. of items valued at £25 or more.

5.2 Access

The RGH was available for inspection, by appointment within normal working hours, at River Park House. It was also available on the Authority's website.

Under the terms of the 2007LGA and the new Members' Code of Conduct, the RGH has now been combined with the Register of Financial and Other Interests to form the Register of Interests. This means that, on the website, accessibility is affected by the opt-in option; as a consequence, RGH entries for Members who have not opted-in are no longer available online. All entries remain available for inspection at River Park House.

6 Declarations of Interest

The definitions of "personal interest" and "prejudicial interest" are given in the Members' Code of Conduct. A prejudicial interest is a personal interest which either relates to a Council regulatory function or affects the financial interests of the Member or relevant person and which would be perceived as so significant by a member of the public that the Member would be likely to be unable to judge the public interest. Thus all interests as defined by the Code are personal, with some that meet additional criteria being termed prejudicial.

Declaration of Interests is placed as a specific Item on the Agenda of every meeting of the Full Council and of every meeting of every serviced committee.

Council Minutes show there were 30 declarations of personal, non-prejudicial interest at meetings of the full Council during the whole year. There were 2 declarations of prejudicial interest.

7 Complaints about alleged failures to adhere to the Members' Code of Conduct

7.1 Complaints decided during the year

The number of complaints concerning alleged breaches of the Members' Code of Conduct which were decided during the year is shown in Table 3.

Table 3: Complaints decided during the year 2008/09 – first year of operation of local assessment of complaints

	This Year

No of Assessment Sub-Committees held	6
No of Complaints sent for investigation following Assessment Sub-Committee	4
No of complaints rejected at Assessment Sub-Committees	2
No of Review Sub- Committees held	1
No of Determination hearings held	nil

7.2 Complaints outstanding

As of 18 May 2009 there are 5 complaints being dealt with at various stages of the procedure which had not been finally dealt with.

8 Ethical Governance Training

Ethical Governance training sessions were arranged through the year for all Councillors and independent Members. Attendance at these was increased on previous years, reflecting the importance of understanding the new filter arrangements for considering complaints.

Specific training was arranged regarding the new Local Filter for Members of Standards Committee, with Councillors and independent Members attending specific sessions on 18 June (3 Councillors and 1 Independent Member) and 3 July 2008 (3 Councillors and 3 Independent Members).

Training regarding the new Local Filter for All Members of the Council was also carried out via 2 respective political group meetings - on 2 October 2008 (Labour Group – attended by 21 Members) and 4 November 2008 (Lib/Dem Group – attended by 19 Members).

It remains important that Members are aware of Code of Conduct issues as breaches can have significant adverse impact for the Council as well as the individual member.

Members are strongly encouraged to attend Ethical Governance training sessions. In 2009/10 it is the intention that all Members have relevant briefings and officers would be working with each of the 2 Chief Whips to ensure that Members are aware of, and will receive training.

Matters of Concern

The Standards Committee expressed its concern to the Chief Executive of the Standards Board for England at the Standards Board for England's determination of a case referred to it for consideration in respect of a complaint against a Haringey Councillor.

Monitoring Officer's Comments

The Monitoring Officer has continued to receive a number of requests from Councillors to advise on whether on interests, on declarations at Council bodies, and on other matters relating to the Code of Conduct.

He welcomes the opportunity to assist Members to comply with the Code of Conduct in this way. He also wishes to thank all Members and officers involved with the Standards Committee for their assistance over the year. In particular he wishes to record appreciation for the commitment of members of the assessment and review sub committees which have met on a number of occasions in the last year. In the annual return to the Standards Board for England, questions were asked of all Councils which gave some indication of what the SBE would consider good practice in the relations between the Standards Committee and senior Members and Officers of the authority. The Monitoring Officer will raise these issues before the Standards Committee and other relevant bodies for their consideration.
