

**Extract from School Streets policy report to Cabinet, November 2020**

7.5.6 Motor vehicles belonging to the following groups and situations are permitted to drive in a School Street, without first obtaining an exemption permit:

- Emergency services
- Statutory Undertakers
- Local Authority in pursuance of statutory powers, including refuse collection
- Exemptions stated in the Highway Code, such as a medical emergency or with the permission or at the direction of a police officer.

7.5.7 Motor vehicles belonging to the following groups and situations will be eligible for an exemption permit to enable them to drive within the School Street during the hours of operation, should they require one:

- Residents or business based within the affected area, with proof of their vehicle being registered to their address. There should be no more than 2 permits granted per household. These residents will be able to leave or enter the street to enable access to their property, but will be encouraged to reduce vehicle movement as much as possible during the School Street hours. If there are more than 2 cars registered a property, then it will be for the household to resolve which cars are registered.
- Blue Badge holders who require access to the street.
- School buses and vehicles used in the transport of children and adults with special access needs. This may include staff who fulfill this criteria and will cover private vehicles, taxis and minicabs declared for such use. It will be the responsibility of the school to collect this information for the affected students and staff, with consent, and send the council details of the number plate of the vehicle required for this service. These will be manually added to the system for the school by the parking and operations team. The school may also request a temporary permit to enable access for, say, a parent in a later stage of pregnancy or a child with a temporary injury affecting mobility.
- Medical practitioners attending those residing in the street.
