I am registering my objection to the application by the Broadway restaurant for an extension to its existing licence with regard to opening times and alcohol sold.

I live at 77 Muswell Hill London N103PJ and am directly opposite this venue.

When Haringey gave the new licence which is in place now it was going to be a restaurant. The opening times given were because previously, with the extended hours of it running it as a bar/live music venue it attracted anti social behaviour such as urinating noise and drug use outside its premises. With dealers hanging around our flats and the Pinnacles across the road. The police had to be continually called and people were frightened to leave their homes because of fights. Cars were parked on the pavements and the screaming and noise when people were coming and going was unbearable. Music was played so loud that the noise abatement officer had to be called to silence it. We also had the support of our MP when having this bar curtailed. Wetherspoon's closes at 12 am so there is no reason for this bar time to be extended.

This is a residential area now and as you are aware from previous meetings this is a totally unacceptable venue to have in our midst.

We are talking about a hundred residences all paying council tax occupied by families with young children and older people so you should think very carefully about these matters, and refuse the application
