

Appendix 2:
**Finsbury Park recognised stakeholders' full responses to Manning's Amusements Ltd
park hire application 2022**

From: Finsbury Park Parkrun

Parkrun has no objection to other events taking place in the park and we accept this means that we sometimes need to cancel. However, we appreciate when efforts are made to allow parkrun to take place alongside other events. For the funfair we can generally run around them by diverting on to the grass alongside Seven Sisters, provided the fair occupies it's normal site. We do need the funfair organisers to be aware that our event will be taking place and to avoid any significant traffic movement between 8.45 and 9.45am on Saturday mornings (one or two small vehicles similar to parks vehicles is fine, large trucks or a large number of small vehicles would be more problematic).
