You MUST control the behaviour of your patrons and the music played at your property in accordance with your licence. The above are potential breaches of the conditions on your licence and further reports will result in enforcement action being taken or requests for a review of your licence.

You are reminded that residents can also request a review of a licence at any time.

If you have any queries please contact me via charlene.thorneycroft@haringey.gov.uk or asb.enforcement@haringey.gov.uk

Yours sincerely

Charlene Thorneycroft
ASB Enforcement Team

Please note:

The Council will consider a Premises License Review in regard to any premises where there is continued non-compliance.

If a Review were to be instigated, then we may request the Licensing sub-committee to (in addition to any other sanction they may impose) include additional conditions as a part of the License.
