**Re: 266 Muswell Hill N10 –The Broadway Bar.**

I am writing to object to the granting of a licence to serve alcohol until 2:30am at the Broadway Bar N10.

My property neighbours this restaurant - bar and due to a lack of adherence by the licence holder to the terms of their licence I am already disturbed by noise coming from the bar. The doors are frequently being left open at the back and the front resulting in patrons congregated outside smoking, shouting and littering.

**Prevention of public nuisance:**

The venue is supposed to be a restaurant - bar but advertises itself as a cocktail bar/ club with live entertainment and DJ. Loud music can heard from the front of the bar and the bass permeates my living room and bedroom.

People congregate at the back of my building causing a disturbance to everyone in the building. Keeping us awake to the point that the noise nuisance team have warned them on a number of occasions to turn the music down and close their doors. Despite being instructed to do this they continue to ignore this instructions which are actually the terms of the current licence.

**The Prevention of crime and disorder:**

The Broadway Bar attract people to the area who are drug dealing in and outside the bar. Evidence of this is apparent in people dealing in the street and at the back of our building. This impact on the immediate area with the safety of our children and those of the children's home put at risk.

I cannot see how a venue that is continually already in breach of its licence should have its licence extended. A removal of licence would be the most appropriate action.

Please give consideration to the above and do not grant the Broadway Bar N10's application for a late licence to serve alcohol.

Regards
