**Subject:** renewal of license for the Dukes Head pub in Highgate

Dukes Head 16 Highgate High Street London N6 5JG Ward Highgate

As a nearby resident, I am concerned at the 1am closure. I am aware that this was granted in 2005 and was

rarely used. However when the pub did close at 1am, the noise of the music and from the drinkers leaving the

pub it was a nightmare for those of us living close by.

I hope that the people running the pub at the moment continue to close at 11am.
