To whom it concerns,

I am objecting to the New Extended Drinks & Entertainment Licence issued to 'Funky Brownz' for the above premises based on the following licensing objectives:

1. The Prevention of Crime and Disorder:

For years, residents in Ribblesdale Road and, to a lesser extent Gisburn Road, have had to put up sleepless nights from the sound of noisy violence and drunken behaviour when the above establishment was managed/owned previously by the Wishing Well Pub.

2. Public Safety:

Drunks hanging around outside the above establishment can be very intimidating to local residents and people just passing through Ribblesdale Road. If the establishment acquires the reputation for violence associated with binge drinking on the premises it will lower the the tone of the whole neighbourhood near the establishment.

3. Prevention of Public Nuisance:

Sleep disruption as noise levels travels far; along with the lack of parking spaces for local residents and visitors may lead to, at best, unpleasant altercations between local residents and clientèle of the Funky Brownz establishment above, and at worst actual violence, which could be prevented by rejecting the application for this licence.

4. The Prevention of Harm to Children:

The likelihood that under 18 teenagers will gain entrance to the above establishment and be exposed

to full nudity gaming machines and "adult entertainment".

Dear sir/Madam

I am writing confidentially with extreme concern and objection at the following late-night application for the following venue -

Funky Brownz
No.5 Tottenham Lane
Hornsey
London N8 9DL

We are a quiet borough full of professionals and families with children. Having a venue that stays open until 1.30am in the week and 4.30am at the weekend is asking for trouble in the following areas -

Crime & disorder - I'm pretty sure, judging by the name, that this will entice gun crime, drugs and drug dealing, drunks looking for the last drink and violence, damage to cars and property, antisocial toilet behaviour, litter, drink driving, fights and police activity.

Public safety - intimidation of people coming home from work via Hornsey Rail Station, drunks in the street, gangs loitering outside, fire safety.

Public nuisance - loud DJ music, noisy revellers smoking outside the premises, lack of parking spaces, increased traffic (taxis, cars, coaches, deliveries).

Harm to children - the nice thing about our area is that it is great for children. With the YMCA club directly opposite the venue hosting children activities (dancing, clubs etc) how will they feel seeing adult entertainment, violence and people urinating in the street? Not good.

This venue cannot go ahead. It will only attract the wrong kind of people to what is a good example of a quiet, professional and respected part of Haringey borough.

Kind regards

Olson Kendra

Subject: Re: New Extended Drinks & Entertainment License for "Funky Brownz"

For the Attention of the Haringey Council Licensing Team

Dear Sir/s and/or Madam/s:

I am writing in response to the New Extended Drinks & Entertainment License for "Funky Brownz" at No. 5 Tottenham Lane, Hornsey, London N8 9DL. I am writing about this licensing application with regard to the prevention of crime, disorder, public nuisance and ensuring public safety in my area. Firstly I was surprised and dismayed not to receive any notice about this change of establishment function until really recently (and I found out through neighbours and not through any official channels). Secondly, while there have been some noise and disturbance issues with the Wishing Well pub, formerly on the same premises, they have not been a significant problem for me. I would not be averse to another pub in that location with reasonable opening hours.

However, as a resident of Ribblesdale Road, across the street from this establishment, I am very concerned about the proposal to extend the hours to have new closing hours from 1:30-4:30 am, especially on weeknights. I am also dismayed by the prospect of having an adult nightclub rather than a pub down the street. This is a very quiet, residential neighbourhood, with families and young children who go to bed quite early. It seems to me to be a very strange place to have a nightclub in the first place, and I would not at all like to have a nightclub a few doors down from my home. I have no objection to nightclubs or, indeed with adult forms of entertainment, *if they are not located in a residential area.*

My husband and I are expecting our first child in December, and we have been very happy with the atmosphere of our quiet, residential street since moving here in February of 2008. I would be very dismayed to have that atmosphere disturbed and our neighbourhood disrupted by a nightclub that is open so late every single night. Even if they have security, I feel that not only will noise be a problem, but I am also afraid that drunken behaviour and crime will rise in this area as a result of this nightclub. Frankly, the Wishing Well already brought some undesirable behaviour into our street (people vomiting and urinating in our front yards, people getting into fights), but at least it was not open as late as this nightclub will be and did not have as many clientele as are likely to be brought into a nightclub.

In short, I would very much like this licensing request to be turned down and I am very keen to attend any public meetings/hearings on this matter so that I can make my concerns known to the committee in person. I look forward to hearing from you soon.

OBJECTION TO LICENSE APPLICATION

TO: **Daliah Barrett** (Licensing Lead Officer)

I would like to object strongly to the licensing application for an extended license at the proposed nightclub '**Funky Brownz**' at number 5 Tottenham Lane, Hornsey N8 9DL.

This is on the grounds of :

(1) The prevention of crime and disorder

The premises in the past has been cause of property damage, Fights, litter & antisocial toilet behavior.

(2) Public safety

Intimidation by drunken behavior, crowds congregating outside & spilling onto the road in Tottenham Lane, drunken driving.

(3) Prevention of public nuisance

Noise pollution, fighting in the street outside, police activity, crowds outside after the venue has closed.

This would significantly increase if the new license were granted.

Yours sincerely

Mr Steve Gale.

OBJECTION TO LICENSING APPLICATION

TO: **Daliah Barrett** (Licensing Lead Officer)

daliah.barrett@haringey.gov.uk

The following is in answer to the points in section 'P' of the application.

Section 'P' Page 19

(b) The SIA registered door supervisors power & interest will cease the moment customers vacate the premises. In the past it has been my experience that the customers congregate outside & that's when the trouble starts. This is especially true when it's an organized function such as a stag night or birthday nights. I have seen 30-50 people fighting, screaming & shouting up to 4-5am & this is when the license was for only 2am.

(c) Most licensed premises in the area end at 1am on weekends, this means there would be ample time to repair to Funky Brownz from all over Hornsey, Crouch End, Wood Green & other areas. By this time a large percentage will be already drunk.

(d) The garden/smoking area according to the plan is open (as it is now) directly onto Tottenham Lane & opposite the residential area of Ribblesdale Road. This is not sound proofed & has been a trouble spot in the past.

Summery

The premises of 5 Tottenham Lane has gone through many changes in the last decade & each one has increased the misery of local residents. When I moved here it was a family pub (The Railway) with garden's.

The granting of this late license will increase crime & public disorder to a degree our local community does not deserve.

Yours sincerely

Steve Gale.

Licence on Colindale bar to be reviewed after wave of violent disorder

7:40am Monday 13th April 2009

VIOLENT revellers flowing from a Colindale pub have forced police to call for a review of the premises' licence.

Officers have been called to **Ash Bar/Funky Browns**, in The Hyde, 11 times since February 13 to reports of violent offences, disorder and offensive weapons.

A report, to go before Barnet Council's Licensing Sub-Committee on April 20, shows one male has been stabbed and two police officers assaulted. It adds: "These have all involved people associated with the premises."

The application for a review has been made by the Metropolitan Police Service and it states that they are of the opinion **Ash Bar/Funky Browns** are associated with serious disorder.

Superintendent Dave Tucker said: "In recent weeks there has been a significant and real increase in disorder and alcohol related offences at these premises."

They have outlined a series of conditions to "greatly reduce" trouble including reduced opening hours and permanent security guards on the doors.

One resident, who lives near to the bar but did not want to be identified for fear of reprisals, said property is regularly damaged by late night drinkers he has seen coming from the premises.

He said: "No-one should feel under siege in their own home.

"The problems have been going on for months and we just feel that enough is enough.

"It is the owner's responsibility to make sure people when they leave, do so in an orderly fashion and don't smash up property, as well as making sure trouble makers don't hang around there."

The hearing will be held at Barnet House, in High Road, Whetstone at 7pm.

**LICENSING AUTHORITY OF THE LONDON BOROUGH OF BARNET
LICENSING ACT 2003**

**NOTICE OF APPLICATION FOR A SUMMARY REVIEW OF A
PREMISES LICENCE**

Superintendent Seabridge, Colindale Police Station, Grahame Park Way, Colindale NW9 5TW, has given notice to the Licensing Authority of the London Borough of Barnet seeking a Summary Review of the Premises Licence for the premises:

Ash Bar / Funky Brownz, 63 – 65 The Hyde, London, NW9 6LE

The grounds for the review being:

That the police are of the opinion that the above premises are associated with serious crime or disorder or both.

A register of licensing applications, which will include details of the grounds for this review, can be inspected at Building 4, North London Business Park, Oakleigh Road South, London, N11 1NP. Appointments to inspect the register can be made by telephoning 020 8359 7443 during office hours.

Any interested party or responsible authority wishing to submit relevant representations concerning this review application must give notice in writing to the London Borough of Barnet, Licensing Team at the address above, giving in detail the grounds of the representation

NO LATER THAN 6th April 2009

Representations must relate to one or more of the four Licensing Objectives: the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm.

The Council will not entertain representations where the writer requests that his identity remains anonymous. Copies of all representations will be included in the papers presented to the Licensing Authorities Sub Committee and will therefore pass into the public domain.

Under section 158 of the Licensing Act 2003, it is an offence, knowingly or recklessly, to make a false statement in connection with an application and the maximum fine for which a person is liable on summary conviction is a fine not exceeding level 5 on the standard scale which is £5000.

ANNEX 8

Dear Madam,

I am writing in as requested to let you know of the psychological impact the customers the Funky Brownz have had on my well being.

Over the space of several months I have been awoken by loud abusive swearing and bins being kicked over. In the Month of March I finally decided enough was enough and started reporting these incidents to the Police I made 3 calls to the Police on 1/3/09 Cad 1355, 14/3/09 Cad 10067 and 20/3/09 Cad 751.

I made a further Police report on the 20/3/09 regarding Criminal damage that had been done to my vehicle on the 20/3/09 Cad 3652.

These incidents would always happen in the early hours of Friday, Saturday and Sunday at around 2.45 AM which is around the same time customers make their way home from Funky Brownz therefore it is my belief that the perpetrators are from this late night Bar.

I have recently been prescribed anti-depressants due to the stress this Late Night Bar has caused me. It is not acceptable for my health to suffer through being awoken and feeling under siege therefore something has to be done.

Yours Sincerely

Dear Madam,

I am writing to let you know I have had my sleep broken on a number of occasions by what I would consider as violence, I have seen a number of Asian men shouting throwing wheelie bins at each other, Also on 20/3/09 I heard a car being Vandalised.

This would normally happen on the weekends, I think this is being done by the customers of Funky Brownz.

Dear Madam

Re: The Ash Bar and Funky Brownz, 63-65 The Hyde, West Hendon, London NW9 6LE

We refer to the above matter and to a forthcoming review hearing of the license to operate a pub to be heard in April 2009 by your offices.

We act for the Landlord of a tenant at 8 Rhodan Gordon Court, The Hyde, London NW9 6LE, the Westway Housing Association. The Westway Housing Association is an adjoining land owner of the Ash Bar and Funky Brownz at 63-65 The Hyde.

We have been instructed to address a letter to you for your consideration ahead of the above mentioned review of the Ash Bar and Funky Brownz licence to operate a pub.

Please be advised that our client and its tenants are concerned about noise nuisance emanating from the pub at all hours, particularly late at night. They are also concerned about dogs housed at the pub barking at all hours of the day and night, thereby disturbing our client's tenants.

On 28 August 2008 our client applied to the Barnet County Court for an Injunction Order pursuant to Sections 153(a) or (d) of the Housing Act 1996. We enclose herewith a copy of this application and attached witness statements for your attention.

The Order that our client sought in relation to the above mentioned hearing was an Injunction requiring the owners of the Ash Bar and Funky Brownz pub to place noise monitors near a cage, which at that stage had accommodated dogs at the property in order to detect the level of noise caused by them and also amongst other things, prohibiting the owners of the pub from threatening residents or otherwise engaging in activities that may affect the quiet enjoyment of anyone residing in the vicinity of 3-65 The Hyde, West Hendon, NW9 6LE.

At a hearing in the Barnet County Court on 28 August 2008, the owners of the pub gave the court an Undertaking promising to move the dogs inside the pub after 9pm until 12 noon at weekends and 7.30am during weekdays.

At a further hearing on 3 October 2008, the owners of the pub agreed to continue to house the dogs in the enclosure within the boundaries of the pub, between the hours of 9pm until

Partners: Alan Hudson, Duncan Brown, Jane Spender, Andrew Cowan, Gareth Hall, Julie Bradley, Philip Jordan, Nick Bingham, Daniel Clifford, Amanda Harvey, Paul Luckland, Sharon Kikham, Mark London, Jane Moggion, Andrew Crawford, Susan Hall, Nicola Philp, Andrew Castiel, James Dunn, Jonathan Passmore, Jonathan Edsworth, Julian Barker, Antony Power, Paul Skeeton, Andrew Thompson, Nick Grant, Jonathan Hulley, Helen Joyce.

THIS FIRM DOES NOT ACCEPT SERVICE BY ELECTRONIC MAIL OR FACSIMILE. THIS FIRM IS REGULATED BY THE SOLICITORS REGULATION AUTHORITY.

12 noon at weekends and 9pm until 9.30am on weekdays. A copy of both County Court Orders are attached for your ease of reference.

We have been instructed that a resident of our client at Rhodan Gordon Court, 69-71 The Hyde, London NW9 6LE has between the period 12 November 2008 and 26 January 2009 complained to our client about further noise nuisance caused by the dogs at the pub, and in particular complaining about the dogs barking at all hours of the day and night, so that she is unable to sleep.

We were also instructed to advise that our client's tenants are concerned about noise nuisance emanating from the pub at all hours of the day and night, and also patrons urinating in public places near the pub, so as to cause a disturbance to our client's tenants.

Given the above circumstances, we are instructed to request that at the forthcoming hearing, you review the operating licence of the pub known as the Ash Bar and Funky Brownz, 63-65 The Hyde, West Hendon, London NW9 6LE so that the licence to operate is either revoked so that our client's neighbours are not disturbed after 10pm on weekdays and on weekends or the conditions of house amended.

Yours faithfully

New Premises Application Objection: Funky Brownz, 5 Tottenham Lane, Hornsey, London N8 9DL

Dear Sir/Madam

I am submitting this letter as notice of my objection to the extended license application for business Funky Brownz, located at the address listed above.

My objection is based on **The Prevention of Public Nuisance**: including noise travels far, police car activity, noisy outside smoking areas, music, DJs, cars, sleep disruption.

I request an invitation to the Committee Hearing with the licensing team, owner of the premises and other local residents in order to discuss my issues of concern.

I look forward to hearing from you with details of the meeting.

Dear Sir;

I am absolutely appalled &

disgusted that it should ever be

contemplated that a venue like

FUNKY BROWNZ

5. TOTTENHAM LANE N.8 99L

should be allowed to open opposite
peoples homes.

I object on all 4 of the grounds
for complaint listed in your letter &
the thoughts that such a venue should

absolute anger & disbelief.

There are so many reasons that
such a venue should not be allowed one could

To Whom it may concern,

**NEW PREMISES LICENSING APPLICATION OBJECTION
NO5 TOTTENHAM LANE, HORNSEY N8 9DL [FUNKY BROWNZ].**

My husband and I wish to object to the proposal to change the use of "The Wishing Well" public house on Tottenham Lane, to a night club.

We understand that the proposal is to reopen the premises as a " hip bar restaurant with a shisha smoking lounge and dance floor", to be named " Funky Brownz".

We understand and a point of deep concern that the intention is to have the premises open until 4.30am on fridays and saturdays, 2.30am on Thursdays and 1.30 on the other days.

We are suprised not to have received any correspondence from the council regarding a licensing review or plans to enlarge the building and have learnt about the proposals from an article written in the Hornsey and Crouch End journal on the 2.7.09. Of course this does not give us the opportunity to prepare and communicate our objections.

We have been residents in Gisburn Road for fifteen years. As you may know this is a quiet residential street within 200 yards of the proposed night club. We have two young children. We are naturally concerned about the potential impact such a proposal could have on our family. These include the following:

1. The possibility of late at night disturbance caused by inconsiderate users of the club causing noise and disorder and the impact that would have on our children and ourselves.

2. I imagine the facility would attract people from other areas with Funky Brownz looking to have a healthy and thriving business encouraging what could turn out to be coach loads of people using and enjoying the club, further exacerbating the point made above.

3. Complaints have been made in the past due to noise, disruption, criminal damage and even fighting in local residents gardens caused by customers of the former public house. The fear is that this would reoccur and quite possibly be

worse with the chance to drink some nights until 4.30 am.

4. We are also concerned about the possibility of criminal damage occurring to our cars and property, drink driving, anti social toilet behaviour, litter and police activity.

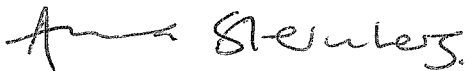

5. Although the current owner has ensured security, we are concerned that this ensures the nightclub is safe and undesirables are evicted from the premises and their anger and disappointment may well be acted out on our door step.

6. Parking is already an issue in this area with the council refusing to grant a residents only scheme, the parking demands from the club would only add to an already intolerable situation.

7. We believe the club would have a negative impact on the resale of our property, if not to the value, then most certainly make the property less attractive, due to it's close proximity to an early hours night club.

I am objecting on the grounds of preventing crime and disorder, in my concern for public safety, in a desire to prevent public nuisance and in preventing harm to the children in this quiet, residential, family area. I imagine such a nightclub would be suited to a busy town centre and therefore object to it's proposal strongly.

Yours faithfully

Please could this remain confidential.

Firstly, thank you very much for bringing this matter to our attention and giving me the opportunity to voice my concerns.

I would like to make an objection to the application made by Funky Brownz on the basis of Prevention of Crime & Disorder, Public Safety and the Prevention of Public Nuisance. There has been very noticeable reduction in all three of these licensing objectives in the recent period where the public house has been closed, suggesting that it is the main root cause of some of the following problems noticed and experienced on Ribblesdale Road N8:

- Damage to property (recent burnout of parked car on street)
- Litter
- Police activity (and hence the by-product of noise and commotion)
- Physical intimidation (not experienced but was aware of its presence through neighbours)
- Public Nuisance (this is by far the largest issue for me, with Friday and Saturday nights being particularly disrupted by customer noise between around 1am and 3am)

It seems to me that the area is very much a residential area, and so is not suitable for such an establishment to be set up.

New premises Licensing Application Objection

Funky Brownz, 5 Tottenham Lane Hornsey London N8 9DL

May I take this opportunity to place my objection regarding licensing of the Funky Brownz premises.

My objections are based on relevant facts and are as follows:

1. Public order. If the licence is granted there will be a long list of public order offences being committed, this will place extra work on the already undermanned Hornsey police station. The area is now clean and tidy this will not last if Funky Browns get to operate at outrageous hours.
2. Prevention of crime and disorder. If the license is granted the problems Woodgreen faced with the K.O. club will just drift here, there are already a number of late night pubs and clubs for those that wish to socialise in such establishments. If my vehicle gets scratched who do I claim from? Smashed bottles, fighting, drink driving are just a few of the problems we will see here.
3. Public nuisance. Parking is already a problem round here lets not compound the problem. When someone gets blocked in and the clients of Funky Brownz start double parking there is sure to be confrontation. I get up at 05:00hrs and don't need to be kept awake till 02:00hrs.
4. From what I gather based on the other property owned by Raj Patel, Ash bar. There will be at some point nude entertainment, this is not fitting of an area such as Hornsey/Crouch end. What is wrong with the west end?
