## **6. North Central London Joint Health Overview and Scrutiny Committee**

6.1 Haringey is a member of the North Central London Joint Health Overview and Scrutiny Committee (JHOSC), along with Barnet, Camden, Enfield and Islington.

- 6.2 The revised terms of reference, agreed by the JHOSC at its meeting on 29 January 2016, and by Haringey Council on 16 May 2016, are as follows:
- To engage with relevant NHS bodies on strategic area wide issues in respect of the co-ordination, commissioning and provision of NHS health services across the whole of the area of Barnet, Camden, Enfield, Haringey and Islington;
  - To respond, where appropriate, to any proposals for change to specialised NHS services that are commissioned on a cross borough basis and where there are comparatively small numbers of patients in each of the participating boroughs;
  - To respond to any formal consultations on proposals for substantial developments or variations in health services across affecting the area of Barnet, Camden, Enfield, Haringey and Islington;
  - The joint committee will work independently of both the Cabinet and health overview and scrutiny committees (HOSCs) of its parent authorities, although evidence collected by individual HOSCs may be submitted as evidence to the joint committee and considered at its discretion;
  - The joint committee will seek to promote joint working where it may provide more effective use of health scrutiny and NHS resources and will endeavour to avoid duplicating the work of individual HOSCs. As part of this, the joint committee may establish sub and working groups as appropriate to consider issues of mutual concern provided that this does not duplicate work by individual HOSCs; and
  - The joint committee will aim work together in a spirit of co-operation, striving to work to a consensual view to the benefit of local people.
- 6.4 Haringey's OSC is entitled to appoint two representatives to the JHOSC. The power to make this appointment was delegated to OSC by Council at its meeting on 22 March 2010.

## **7. Contribution to strategic outcomes**

- 7.1 The contribution scrutiny can make to strategic outcomes will be considered as part of its routine work.

## **8. Statutory Officers Comments**

### **Finance and Procurement**

- 8.1 The Chief Finance Officer has confirmed the Haringey representatives on the JHOSC are not entitled to any remuneration. As a result, there are no direct financial implications arising from the recommendations set out in this report.
- 8.2 Should any of the work undertaken by Overview and Scrutiny generate recommendations with financial implications then these will be highlighted at that time.

### **Legal**

- 8.3 The Assistant Director for Corporate Governance has been consulted on the contents of this report.
- 8.4 Under Section 21 (6) of the Local Government Act 2000, an Overview and Scrutiny Committee has the power to appoint one or more sub-committee to discharge any of its functions. The establishment of Scrutiny Panels by the Committee falls within this power and is in accordance with the requirements of the Council's Constitution.
- 8.5 Scrutiny Panels are non-decision-making bodies and the work programme and any subsequent reports and recommendations that each scrutiny panel produces must be approved by the OSC. Such reports can then be referred to Cabinet or Council under agreed protocols.
- 8.6 The OSC can appoint two representatives to the North Central London Joint Health Overview and Scrutiny Committee. This is in accordance with the decision made by full Council on 22 March 2010 that the making of nominations to the Joint Health Committee be delegated to the Committee.

### **Equality**

- 8.7 The Council has a public sector equality duty under the Equalities Act (2010) to have due regard to:
- Tackle discrimination and victimisation of persons that share the characteristics protected under S4 of the Act. These include the characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (formerly gender) and sexual orientation;
  - Advance equality of opportunity between people who share those protected characteristics and people who do not;
  - Foster good relations between people who share those characteristics and people who do not.
- 8.8 The proposals outlined in this report relate to the membership and terms of reference for the OSC and carry no direct implications for the Council's general equality duty. However, the Committee should ensure that it addresses these duties by considering them within its work programme and those of its panels, as well as individual pieces of work. This should include considering and clearly stating;
- How policy issues impact on different groups within the community, particularly those that share the nine protected characteristics;
  - Whether the impact on particular groups is fair and proportionate;
  - Whether there is equality of access to services and fair representation of all groups within Haringey;

- Whether any positive opportunities to advance equality of opportunity and/or good relations between people, are being realised.

8.9 The Committee should ensure that equalities comments are based on evidence. Wherever possible this should include demographic and service level data and evidence of residents/service-users views gathered through consultation.
