Dear Licensing
TEN - Clasic Restaurant, 502-508 High Road (24/06/22) WK537001

The applicant has requested a TEN for permission to operate on 24th to 25th June 2022 and until 03:00hours.

We believe the operator continues to hold events in the absence of a licence or permission.

The applicant continues to operate in breach the licensing act despite warnings issued. Most recently we attended the premises at 00:48hours 12th June 2022 and believe they were operating as we observed people leaving and entering the venue at this time. They continue to operate in breach of the licensing act (and despite our warnings about the consequences of non-compliance). There is insufficient information provided on the TEN about the measures they will undertaken to uphold the Prevention of Public Nuisance Licensing Objective (bar the employment of 6 SIA).
As a result of the above we recommend REFUSAL of the TEN.

Yours sincerely

Jennifer Barrett
