Re: Late Temporary Event Notice

Clasic Restaurant, 502-508 High Road, Tottenham N17 9JF

With reference to the above premises, the Police Licensing Team will be rejecting the Temporary Event Notices.

The applicant is applying for the dates 24th June to 25th June starting 2000 hrs and ending 0330 Hrs (24th) for 300 people, to carry out the licensable activities of:

- **Supply of alcohol by or on behalf of a club to a member**
- **Provision of regulated entertainment**
- **Late night Refreshment**

Police object in entirety and make representations due to the fact that the local authority following numerous breaches of the Licencing act by the premises are currently under notice of intention to serve a closure notice pursuant to S76 Antisocial Behaviour, Crime and Policing Act 2014 by the Local Authority.

Notice to this effect was served to a Mr Alin Mandache on the 16th February 2022 by the Senior Lawyer Litigation Dept. for the London Borough of Haringey.

In addition to this on the 14th February 2022 whilst licensable activities were being carried out at the premises without lawful authority, disorder broke out and it was discovered that a patron had received injuries consistent with an offence of assault occasioning Grievous bodily harm from within the premises whereby Police were called by a victim in the street.

The above application was submitted by Miss Cornelia Cotlogut, with limited information as to the nature of the event, and submitted as a TEN on Friday the 10th June 2022.

Police have concerns that premises are not managed in a lawful manner and we have no trust that these premises would uphold any of the licensing objectives if allowed a temporary event notice .In fact from previous history all indications would be that there is a real risk of Public Nuisance and risk to patrons due to insufficient effective management of the premises whereby Crime and Disorder is allowed to proliferate unabated.
