Hi Kayleigh,

So, as I was saying before, my colleague and I attended the premise and by looking at the dining hall and at the presence of numerous staff members, it became apparent that a party was about to take place at the venue. This was then confirmed by a person that identified himself as the venue's manager: Mr. Alin MADACHE.

When asked if there was a valid licence for the event to take place, Mr. MADACHE showed us a request for a Temporary Event Notice addressed to the Haringey Council, this was however missing the council reply/approval. I pointed this out to Mr. MADACHE, who however seemed to remain positive on his right to proceed with the party, and he then stated to be happy to attend Court if needed to.

To sum it up, **Tonight, the 14th of February 2022 there is an event taking place at CLASIC RESTAURANT 502-508 High Road N17.**

Hey Gian,

Yes, just intel gathering. Preferably entering to speak to the manager (if worried re entry powers you can enter under S179 Licensing Act – see below) if able and capturing anything on body worn. They have no license and currently aren't allowed to be issued a Temporary Event Notice due to previous breaches.

What we will mainly be looking for will be sales of alcohol, regulated entertainment (music/live band) and/or late night refreshments (hot food and/or drink), however that is after 11pm and I don't believe you'll be on still.

S179 - Where a constable or an authorised person has reason to believe that any premises are being, or are about to be, used for a licensable activity, he may enter the premises with a view to seeing whether the activity is being, or is to be, carried on under and in accordance with an authorisation.

Any help is very much appreciated.

Kind wishes,

Hi Derek,

No problems at all, I can easily swing by.

Just to clarify, at this stage, is it just to intelligence gathering?

Cheers,
Gian

Hello

The unlicensed premises at 502-508 High Road N17 (behind the McDonalds) is advertising Valentines events for which they have no licence.

There are events planned for 14th & 18th Feb according to the posters.

Can officers on 'late turn' please attend to gather evidence of any unauthorised licensable activity taking place please?

Regards
