3.3 There is also a Protocol, outside the Constitution and provided at **Appendix B**, that sets out how the OSC is to operate.

3.4 In addition, there is now a draft Protocol (**Appendix C**) for non-voting co-opted scrutiny Members on scrutiny panels. The purpose of this is to ensure openness and transparency in their appointment and clarify their role.

4. Scrutiny Panels

4.1 Article 6 of the Constitution states the OSC shall appoint Scrutiny Panels in order to discharge the Overview and Scrutiny role.

4.2 The specific functions for any Scrutiny Panels established is outlined in Article 6 of the Constitution at 6.3 (b) and 6.3 (c). The procedure by which this operates is detailed in the Scrutiny Protocol:

- The OSC shall determine the terms of reference for each Scrutiny Panel;
- If there is any overlap between the business of the Panels, it is the responsibility of the OSC to resolve the issue;
- Areas which are not covered by the four standing Scrutiny Panels shall be the responsibility of the main OSC;
- The Chair of each Scrutiny Panel shall be a member of the OSC, as determined by the OSC at its first meeting;
- It is intended that each Scrutiny Panel shall be comprised of between 3 and 7 backbench or opposition members, and be politically propionate as far as possible;
- Each Scrutiny Panel shall be entitled to appoint up to three non-voting co-optees. The Children and Young People’s Scrutiny Panel membership will include the statutory education representatives of OSC.

5. Contribution to strategic outcomes

5.1 The contribution scrutiny can make to strategic outcomes will be considered as part of its routine work.

6. Statutory Officers Comments

Finance and Procurement

6.1 The Chief Finance Officer has confirmed the Haringey representatives on the JHOSC are not entitled to any remuneration. As a result, there are no direct financial implications arising from the recommendations set out in this report.

6.2 Should any of the work undertaken by Overview and Scrutiny generate recommendations with financial implications then these will be highlighted at that time.

Legal

6.3 The Assistant Director for Corporate Governance has been consulted on the contents of this report.

6.4 Under Section 21 (6) of the Local Government Act 2000, an Overview and Scrutiny Committee has the power to appoint one or more sub-committee to discharge any of its functions. The establishment of Scrutiny Panels by the Committee falls within this power and is in accordance with the requirements of the Council's Constitution.

6.5 Scrutiny Panels are non-decision-making bodies and the work programme and any subsequent reports and recommendations that each scrutiny panel produces must be approved by the OSC. Such reports can then be referred to Cabinet or Council under agreed protocols.

- 6.6 The OSC can appoint two representatives to the North Central London Joint Health Overview and Scrutiny Committee. This is in accordance with the decision made by full Council on 22 March 2010 that the making of nominations to the Joint Health Committee be delegated to the Committee.

Equality

- 6.7 The Council has a public sector equality duty under the Equalities Act (2010) to have due regard to:

- Tackle discrimination and victimisation of persons that share the characteristics protected under S4 of the Act. These include the characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex (formerly gender) and sexual orientation;
- Advance equality of opportunity between people who share those protected characteristics and people who do not;
- Foster good relations between people who share those characteristics and people who do not.

- 6.8 The proposals outlined in this report relate to the membership and terms of reference for the OSC and carry no direct implications for the Council's general equality duty. However, the Committee should ensure that it addresses these duties by considering them within its work programme and those of its panels, as well as individual pieces of work. This should include considering and clearly stating;

- How policy issues impact on different groups within the community, particularly those that share the nine protected characteristics;
- Whether the impact on particular groups is fair and proportionate;
- Whether there is equality of access to services and fair representation of all groups within Haringey;
- Whether any positive opportunities to advance equality of opportunity and/or good relations between people, are being realised.

- 6.9 The Committee should ensure that equalities comments are based on evidence. Wherever possible this should include demographic and service level data and evidence of residents/service-users views gathered through consultation.
