### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Rakkas is currently a high end luxury restaurant that has an excellent service and reputation. The venue is occupied with a seating area at the front of the premises and a lounge area at the rear. The current closing time for the rear lounge area is at 21:00 Monday to Sunday, whereas the restaurant seating area closing time is at 23:30 on Sunday to Thursday and at 00:00 on Friday & Saturday.

Rakkas tangents off from an excellent foundation whereby everything has been thought and designed to meet the regulations whilst customers enjoy their time at Rakkas comfortably. The premises has a robust management whereby there are at least ten people on duty who are responsible for the welfare of the customers, including two door supervisors, making the premises a very safe place to dine at.

There has not been any recorded incident or any negative behaviour within the premises. The alcohol is only served to the table, resulting in good coordination and control of the drinks. Any background music will be controlled by a sound limiter system. Therefore, the requisition of the application is to alter the hours of the licensable activities to make the whole premises which includes the front restaurant seating area and rear lounge area closing time to be equivalent.

Rakkas is situated on Green Lanes High Street and analysing different premises within the High Street and in Haringey council has shown that there are many premises which have late night operable hours for instance:
