#### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Alcoholic and other drinks purchased from the premises may not be taken away from the immediate curtilage of the premises in open containers such as glasses or opened bottles.

#### b) The prevention of crime and disorder

A CCTV system shall be installed at the premises and maintained in good working order at all times. If the CCTV system breaks down then the police should be informed immediately, and the system repaired within 2 days.

The CCTV system shall make and retain clear images. The recordings shall show an accurate date and time that the recordings were made, and all recordings shall be retained for a period of not less than 31 days. The original, or a copy of the CCTV recording, will be available to be viewed and to be downloaded by authorised officers of the Police and Local Authority upon request. Copies of CCTV recordings shall be provided in a format that can be viewed on readily available equipment without the need for specialist software.

There shall be at all times when alcohol is available for sale, a member of staff on the premises who has access to and is able to fully operate the CCTV equipment.

An incident log will be kept at the premises and made available upon request to any police officer or authorised local authority officer. The incident log shall record:

- a. All crimes reported at the venue All ejections of patrons
- b. Any complaints received
- c. Any incidents of disorder
- d. Any faults in the CCTV system

### c) Public safety

All exit routes must be kept unobstructed and maintained with non-slippery and even surfaces. Where chairs and tables are provided, internal gangways shall be kept unobstructed.

Adequate and appropriate supply of first aid equipment and materials must be available on the premises at all times.

#### d) The prevention of public nuisance

Prominent and clear notices must be displayed at all exits requesting the public to respect the needs of residents and to leave the premises and the area quietly.

Bottles and other refuse must be placed into receptacles outside the premises at times that will minimise the disturbance to nearby properties.

#### e) The protection of children from harm

The licensee shall adopt the Challenge 25 scheme. The scheme shall operate on the basis that whilst alcohol may be sold to

persons aged 18 years and over, anyone who appears under 25 years of age will be asked for ID. The only proof of age accepted in respect of the sale of alcohol shall be photo driving licence, passport and other approved photographic ID bearing the PASS hologram.

A refusals book shall be kept at the premises, in which must be recorded the date, time and circumstances under which any sale of alcohol is refused. This book must be made available for inspection by any police officer, police community support officer or authorised officer of the local authority. Entries in this book must be made as soon as practicable after the refusal of the sale. The DPS should check and sign the entries on at least a weekly basis.

All new members of staff shall, before first starting to sell alcohol, be trained as to their responsibilities under the Licensing Act 2003, namely sales to underage persons, persons already intoxicated, sales by proxy, licensable hours, conditions attached to the premises licence. This training should be recorded in a staff training log and be made available on demand to any Police Officer, Police Community Support Officer or an authorised officer of the Local Authority.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

# Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

#### Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is A British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <a href="https://www.gov.uk/prove-right-to-work">https://www.gov.uk/prove-right-to-work</a>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
