<p>RECOMMENDATIONS</p> <p>The North Central London Joint Health Overview & Scrutiny Committee is asked to:</p> <ul style="list-style-type: none"> a) Note the current work programme for 2023-24; b) Propose further agenda items for the 2023-24 work programme. 	

1. Purpose of Report

- 1.1 This item outlines the areas that the Committee has so far chosen to focus on for 2023-24.
- 1.2 Meetings of the JHOSC are scheduled to take place on 11th September 2023, 13th November 2023, 29th January 2024 and 18th March 2024. The Committee is requested to consider possible items for inclusion in the 2023-24 work programme.
- 1.3 Full details of the JHOSC's work programme for 2023/24 are listed in **Appendix A**, including scheduled items and also as yet unscheduled items on which the Committee has previously indicated that it wishes to receive further updates.

2. Terms of Reference

- 2.1 In considering suitable topics for the JHOSC, the Committee should have regard to its Terms of Reference:
 - “To engage with relevant NHS bodies on strategic area wide issues in respect of the co-ordination, commissioning and provision of NHS health services across the whole of the area of Barnet, Camden, Enfield, Haringey and Islington;
 - To respond, where appropriate, to any proposals for change to specialised NHS services that are commissioned on a cross borough basis and where there are comparatively small numbers of patients in each of the participating boroughs;
 - To respond to any formal consultations on proposals for substantial developments or variations in health services across affecting the areas of Barnet, Camden, Enfield, Haringey and Islington and to decide whether to use the power of referral to the Secretary of State for Health on behalf of Councils who have formally agreed to delegate this power to it when responding to formal consultations involving all the five boroughs participating in the JHOSC;
 - The joint committee will work independently of both the Cabinet and health overview and scrutiny committees (HOSCs) of its parent authorities, although evidence collected by individual HOSCs may be submitted as evidence to the joint committee and considered at its discretion;
 - The joint committee will seek to promote joint working where it may provide more effective use of health scrutiny and NHS resources and will endeavour to avoid duplicating the work of individual HOSCs. As part of this, the joint committee may establish sub and working groups as appropriate to consider issues of mutual concern provided that this does not duplicate work by individual HOSCs; and

- The joint committee will aim to work together in a spirit of co-operation, striving to work to a consensual view to the benefit of local people.”
