

Our Vision is to Create a Sustainable Home For All That We Do

**Enabling everyone to experience inspirational culture,
world-class entertainment, unique heritage, life-enriching
creative and educational opportunities and restorative
green space. Forever.**

Goals

Over the Next 10 Years We Will

Build Climate Change Resilience

Actively responding to the climate change emergency, we will strive and challenge ourselves to take the Palace off grid within a generation, lessening our impact on the environment, reducing our energy consumption and harnessing the parkland to build climate resilience.

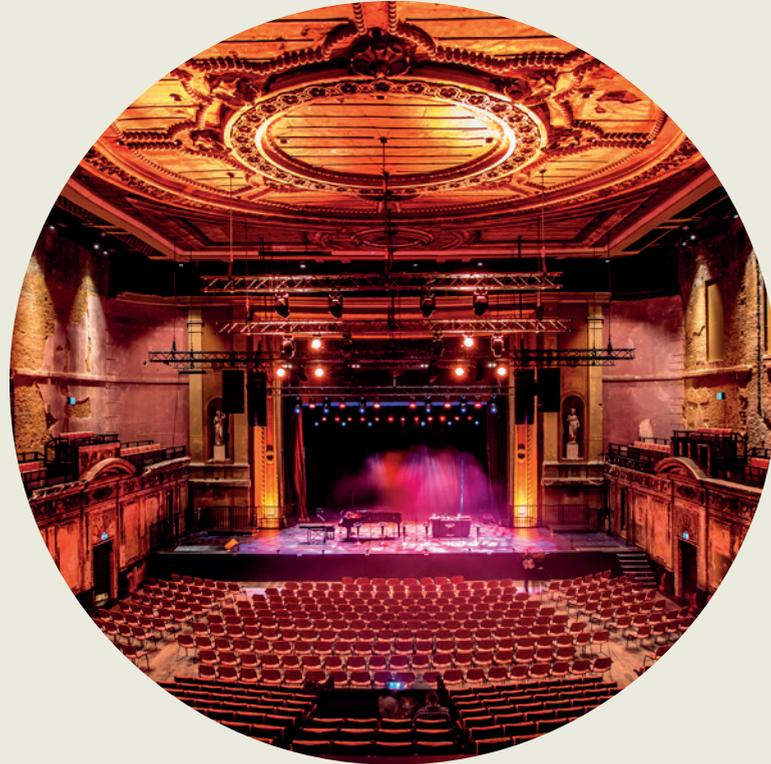

Safeguard Our Green Lung For London

We will implement new technology and innovation to help local habitats and species thrive in our 196-acre park, whilst encouraging diverse audiences, new visitors and new communities to engage with and benefit from our unique environment through outdoor interpretation, events and activities.

Goals

Over the Next 10 Years We Will

Protect Our Heritage Assets

Reverse the decline in the heritage asset by raising the funds needed to tackle the backlog of conservation and infrastructure repair and maintenance across the estate. We commit to utilising innovative sustainable materials and methods at every opportunity.

Restore Derelict Spaces

Adopting an adaptive reuse approach to restoration, we will bring currently underused, inaccessible or derelict spaces back into use, unlocking potential and enabling us to welcome everyone through our doors with a wider range of activities, entertainment and experiences.

Goals

Over the Next 10 Years We Will

Provide Great Entertainment & Culture For All

Accessible and welcoming, we will continue to challenge ourselves to gain better understanding of our current and future audiences and their needs, ensuring our Cultural and Entertainment programme reflects the tastes and innovations of the time. We will support and develop opportunities for artists to showcase their talents and reach new and diverse audiences.

Protect Our Archives And Share Our Stories In Innovative Ways

Celebrating our heritage and growing our reputation in the sector, we will provide environmentally sustainable facilities for the care of our valuable collections and archives to tell our stories and enable access to a wider range of people.

Goals

Over the Next 10 Years We Will

Inspire And Engage Our Communities

Taking inspiration from our eclectic history and inspiring cultural assets, we will collaborate with our communities and partners providing a range of creative and engaging events and workshops, to help people of all ages and backgrounds gain skills, explore their creativity and improve their well-being whilst cultivating warm and affectionate attachments to everything we do.

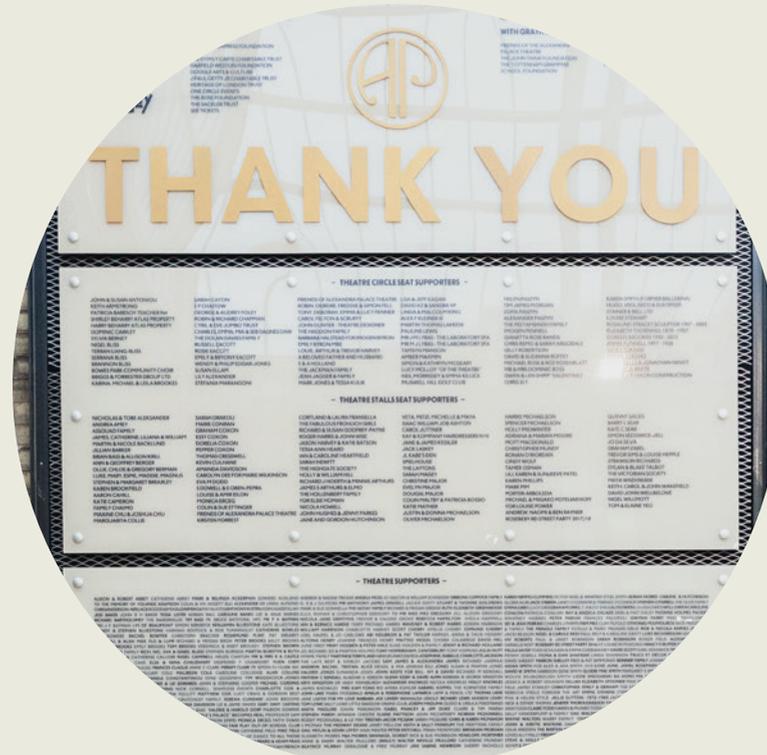

Create A Great Place To Work

An inclusive environment where staff are happy and proud to work and feel like they belong. A culture that listens, recognises, and empowers its staff and lives by its Values and Behaviours. We will support our staff to grow and develop to achieve their potential.

Goals

Over the Next 10 Years We Will

Strengthen Our Overall Resilience

Safeguarding the assets for future generations, we will fortify our governance and raise funds through diversifying our revenue streams. This will include introducing a donor programme, building our corporate partnerships in line with our Values and attracting visitors all year round to the Park and Palace, creating a dynamic and sustainable future for the charity.

Establish New, Exciting Partnerships

Amplifying our purpose of enriching lives, we will strive to form stand-out partnerships with universities, colleges and creative institutes and employers to support skills development and career opportunities for people of all ages.
