

## Housing and Regeneration Scrutiny Panel

### Work Plan 2022 - 24

<p><b>1. Scrutiny review projects;</b> These are dealt with through a combination of specific evidence gathering meetings that will be arranged as and when required and other activities, such as visits. Should there not be sufficient capacity to cover all these issues through in-depth pieces of work, they could instead be addressed through a “one-off” item at a scheduled meeting of the Panel. These issues will be subject to further development and scoping. It is proposed that the Committee consider issues that are “cross cutting” in nature for review by itself i.e., ones that cover the terms of reference of more than one of the panels.</p>		
Project	Comments	Priority
Review on Landlord Licensing and Renting in the Private Sector	<p>To review the impact of the implementation of the Council’s landlord licensing scheme on the private rented sector. The review will be looking at both the additional licensing scheme, introduced in 2019, as well as impending introduction of the selective licensing scheme, following DHULC approval.</p> <p>The Panel are also keen to understand what other support the Council could provide to those living in the Private Rented Sector and what are other local authorities doing around this.</p>	

<p><b>2. “One-off” Items;</b> These will be dealt with at scheduled meetings of the Panel. The following are suggestions for when particular items may be scheduled.</p>

Indicative future agenda items:

- Housing Repairs and the repairs improvement plan
- Update on Fire Safety including change of regulations around separate staircases
- Statutory Asset Management Plan
- Housing Building Programme, inc. how the financial business case behind that is being monitored
- Placemaking –What the next stage of that engagement will look like (Wood Green Voices).
- Local Plan update
- A follow up update in relation to Aids and Adaptions.
- Wards Corner – an update on the recommendations to this review.

- Allocations Policy
- Housing Improvement Plan
- Voids
- An update on zero carbon future building projects and zero carbon demolition projects. It was suggested that this could dovetail with an update on the Local Plan.
- Undertaking cyclical improvement works to whole estates, rather than doing it in piecemeal work packages.
