POLICE REPRESENTATION

Application for a Late Temporary event notice District 22 83 Mayes Road Wood Green London N22 6UP

Temporary event notice. **1st December 2023 – 2nd December 2023**

Application submitted by Mr Meritan JASHARI.

I wish to make representation on the following

1st December 2023 – 2nd December 2023

The sale by retail of Alcohol 2230 hours to 0000 hours

The provision of late night refreshment 2300 hours to 0000 hours

The nature of the event stated being:

Celebration of Albanian Independence Day, to enable use of the rear garden area
To accommodate restaurant bookings

I wish to make representation to disallow this application under the Licensing objective of:

PREVENTION OF PUBLIC NUISANCE

PREVENTION OF CRIME AND DISORDER

The applicant is asking to enable use of the rear garden area till 0000 hours

The premises is located on the junction of Mayes Road and Coburg Road. At the side and opposite the premises there are residential homes. Directly opposite the rear garden which is in Coburg Road there is a care home.

The applicant was sent a representation on the 15/11/2023. Police agreed that the event in principle can go ahead with a condition of the garden area to close at 22.30 hours.

This was refused by the applicant.

The premises is shown to have a premises licence number LN/000025837 issued in January 2023 due to a change of DPS.

A variation was submitted on 05/01/2023 which resulted in a hearing adding to the licence annex 3 condition for the rear garden.

On the 30th January 2023 the committee refused to remove the condition on the area at the back of the premises: "The back shisha area to be closed at 2230 each day".

The applicant has been informed of this already as a LATE TENS was received on the 08/11/2023 which was refused by police for prevention of public nuisance.

On the 10/11/2023 the applicant emailed the officer who refused the application stating that they have had 14 tens granted since the beginning of 2023 and for police to withdraw the representation.

The applicant was email back on the 11/11/2023 stating that police will not withdraw their representation. The agent of the applicant called and spoke to the Police Sargent in licensing trying to plea with the late TENS to go ahead. When they were advised this representation would stand due to being a late TENS the agent claimed that the police licence team were lazy and terminated the call.

Information received on the 23/05/2023 that the premises was running without a licence as there licence expired on 17/05/2023 and there was loud music coming from the premises every night which shows a lack of respect for the law.

The last TEN the premises had was on the 29/04/2023 shortly after the premises has been closed and none operational. An email confirming this was received from the Local authority on the 09/11/2023 stating that premises has been closed and non-operational for months.

Although the DPS has changed, the past history of the premises has shown worrying concerns around upholding the licensing objectives.
Below are incidents demonstrating this.

On the 09/04/2022 a member of the local authority was assaulted after they visited the premises to inform the manager they did not have a licence to operate after 11pm. One of the participants got upset approached the LA officer and assaulted them. A fight broke out and 200 people were seen fleeing the location when police arrived. Officers viewed the CCTV and none of the cameras covered the location where the incident took place. The location was as you walk into the premises. This area should have been covered by CCTV.

On the 16/02/2022 cad YR/7704

Police were called to violence against a person. The victim did not wish to proceed in reporting.

On the 02/05/2022 cad YR/7671

Police were called to violence against a person. The victim did not wish to proceed in reporting.

Police are objecting to this TEN for the following reasons:

Police believe that allowing this TEN will cause a Public Nuisance to residents living nearby and the potential for crime and disorder to take place.
