

LOCAL CODE OF CORPORATE GOVERNANCE

Haringey Council
2024/25

1 Introduction to Delivering Good Governance

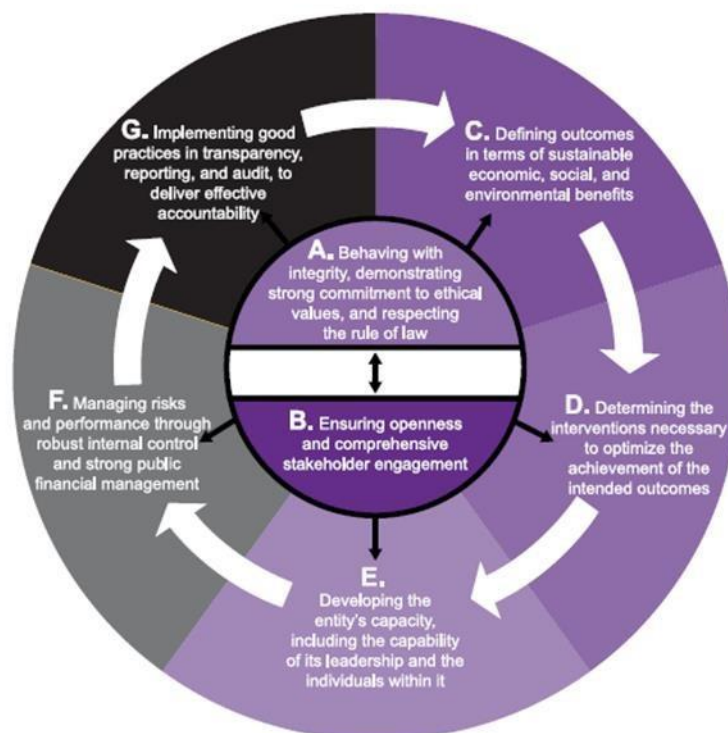

1.1 The council is committed to ensuring good governance principles and management practices are adopted in all business activities to ensure public trust. This Local Code of Governance provides a public statement that sets out the way in which the council will meet and demonstrate that commitment. It includes the political arrangements, administrative systems, policies, and processes as well as the culture and values that underpin arrangements for the effective:

- Allocation of resources in accordance with agreed policies and priorities.
- Sound, transparent, and inclusive decision making.
- Management of the organisation, performance, and accountability for the use of those resources to achieve desired outcomes for service users and communities.

1.2 *Delivering Good Governance in Local Government; Framework*, published by CIPFA, provides guidance on the standards for local authority governance in the UK. This Framework sets out seven core principles of governance as detailed in the diagram below, and illustrates that good governance is dynamic and involves continuous evaluation and review.

1.3 Haringey Council has adopted these principles of good governance and adapted its Local Code to reflect its responsibilities. This is demonstrated through the adoption, monitoring, and continued development of this document.

Achieving the Intended Outcomes While Acting in the Public Interest at all Times

- 1.4 The council's key governance areas and how it will provide assurance that it is complying with these are set out in more detail within its Governance Assurance Framework.
- 1.5 The council recognises that establishing and maintaining a culture of good governance is as important as putting in place a framework of policies and procedures. The council expects Members and officers to uphold the highest standards of ethics, conduct and behaviour, and to act with openness, integrity, and accountability in carrying out their duties.
- 1.6 This Code ensures the council is doing the right things, in the right way. Further information regarding each of the above principles and the behaviours and actions that demonstrate good governance in practice are detailed at **Appendix A**.
- 1.7 Similar and proportionate oversight and assurance reporting arrangements should also be put in place in respect of services outsourced to external suppliers, trading partnerships, shared service arrangements and arm's length bodies.

2 Monitoring and review

- 2.1 Regulation 6(1)(a) of the Accounts and Audit regulations 2015 (as amended) require an authority to conduct a review at least once a year of the effectiveness of its systems of internal control and include a statement reporting on the review with any published statement of Accounts. This is known as an Annual Governance Statement.
- 2.2 As such the council will monitor its governance arrangements for their effectiveness in practice and will review them on a continuing basis to ensure that they are up to date and working effectively. The council's Governance Assurance Framework sets out in more detail how the council will seek assurance on its adherence to the adopted principles of governance.
- 2.3 On an annual basis, the Chief Executive and Leader of the Council will publish an Annual Governance Statement which will:
 - Assess how the council has complied with this Code of Corporate Governance.
 - Provide an opinion on the effectiveness of the council's arrangements.
 - Provide details of how continual improvement in the systems of governance will be achieved.

3 Certification

- 3.1 We hereby certify our commitment to this Local Code of Corporate Governance and will ensure that the council continues to review, evaluate, and develop the council's governance arrangements to ensure continuous improvement of the council's systems.
