T53

Notice is hereby given that the Council of the London Borough of Haringey proposes to make the above-mentioned Orders under sections 6 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended, to implement a Raised Zebra Crossing on Perth Road N22 under Section 23 Road Traffic Regulation Act 1984 and section 90a and 90c of the Highways Act 1980 and the Highways (Road Humps) Regulations 1999.

The general effect of the order will be:

- a) To revoke approximately 4.5 metres of existing Double Yellow Lines on both sides of Perth Road N22, from a point 3 metres south from its junction with White Hart Lane, in a southerly direction.
- b) To revoke approximately 24.2 metres of existing Single Yellow Lines on both sides of Perth Road N22, from a point 7.5 metres south from its junction with White Hart Lane, in a southerly direction.

The above parking changes are required to facilitate the installation of the proposed Raised Zebra Crossing and associated zig-zag markings on Perth Road N22, on which vehicles would be prohibited from stopping at all times. These will be placed on the carriageway either side of the crossing; the northern set will be 4.5 metres in length, the southern set will be 17 metres in length. The centre of the crossing will be located 9.6 metres south from its junction with White Hart Lane and will be raised in height by extending the existing raised table on Perth Road N22 southwards by 5 metres.
