HMO Licensing Conditions

2024-2029

HMO Licensing Conditions 2024 - 2029

Failure to comply with any licence condition may result in proceedings including unlimited fines and loss of the licence or may be subject to a penalty notice of up to £30,000.

The property licence and conditions do not imply or grant by inference or otherwise any approval or permission for any other purposes including those for Building Control, Development Control and under The Regulatory Reform (Fire Safety) Order 2005. Conversely compliance with any of those requirements does not confer or imply compliance with the requirements of the Housing Act 2004 including property licensing.

Any HMO for more than six people may also require planning permission. The Council's Planning department made an Article 4 Direction to remove the permitted development rights for smaller HMOs (3-6 occupants) for change of use from dwelling house (Use Class C3) to HMOs (Use Class C4). The Direction came into force on 30 November 2013, which means that planning permission will be required for this type of development in the following wards: Bounds Green, Bruce Grove, Harringay, Northumberland Park, Noel Park, St Ann's, Seven Sisters, Tottenham Green, Tottenham Hale, West Green, White Hart Lane, Woodside.

Please contact the planning team to clarify what planning permissions are already in place for the property and advice on the process. Please note that unlawful HMO's may be subject to planning enforcement action. The Council do have powers of enforcement against breaches of planning control and that, upon summary conviction, continued failure to meet the Council's enforcement requirements could result in an unlimited fine.

For planning and building regulation queries please refer to the planning and building control pages on the Council's website.

Any requirements relating to the licence and conditions are without prejudice to assessments and appropriate actions including enforcement actions under the Housing Act 2004. This includes actions to deal with category 1 and category 2 hazards as may be identified under Housing Health and Safety Rating System (HHSRS) and does not preclude such action.

The Council is obliged to impose certain conditions under the Housing Act 2004 as part of the licensing requirements. Local Authorities also have the power to introduce discretionary conditions of their choice. The Below conditions include both the Mandatory and discretionary conditions that we propose to adopt.

Conditions marked with a ★ are Mandatory conditions imposed by Housing Act 2004.

Conditions marked with a ◆ are discretionary conditions adopted by the Council.
