Ann Cunningham: Head of Highways & Parking

19 July 2023

Public and Statutory Consultation

Parking Arrangements: Colina Mews, N15

Dear Resident or Business,

As part of the S278 development of 590-598 Green Lanes, we recently carried out highway improvement works in the vicinity of this development, including carriageway/footway resurfacing and introduced temporary parking arrangements in Colina Mews. I am now pleased to inform you that the council has secured funding to make the parking arrangement permanent in Colina Mews.

The key interventions are as follows and are detailed on the plan enclosed:

- Introduction of Permit Holder bays near the Colina Road end.
- Introduction of waiting and loading restrictions to improve road safety and traffic flow in Colina Mews.
- Amendment to the existing residents parking bay near the Park Road end.
- Removal of originally existed and redundant “business use” bays near the Colina Road end.

This letter marks the start of a three-week public consultation during which we welcome your views on the proposals. Please provide these using the enclosed Freepost feedback card or email your views to us at frontline.consultation@haringey.gov.uk

At the same time, the statutory consultation on the proposed changes (legal process whereby the proposals are advertised in the local newspapers) will begin on 19 July and provide a 21-day period for anyone wishing to object the proposals. You can do this by emailing traffic.orders@haringey.gov.uk providing reasons for your objection.

Please ensure that your response including any objections to the proposals reach us as soon as possible and no later than **9 August 2023**.

If you have any specific questions on the scheme, please contact frontline.consultation@haringey.gov.uk

Thank you for your interest and we look forward to hearing from you.

Yours faithfully

A handwritten signature in black ink, appearing to be the name of the signatory.
