Subject: RE: Application for a Variation of a Premises Licence- The Victoria Tottenham, 34 Scotland Green, Tottenham, London N17 9TT (WK/596408)

Dear Licensing Team

RE Application for a Variation of a Premises Licence- The Victoria Tottenham, 34 Scotland Green, Tottenham, London N17 9TT (WK/596408)

Having reviewed the application, I don't foresee any issues with the variation application for the extension of hours on a Friday but we have had previous complaints regarding loud music and people noise from patrons from the premises, whilst these have not been sustained and given that the premises is situated in a heavily residential area, I recommend the following conditions be added to the licence to cover the four licensing objectives which have been agreed by the applicant. (see attached email)

Prevention of crime & disorder

- A digital CCTV system to be installed in the premises and cameras must be sited to observe the entrance doors from both inside and outside.
- Cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification.
- Cameras must be sited to cover all areas to which the public have access including any outside smoking areas.
- Provide a linked record of the date, time of any image.
- good quality images - colour during opening times.
- Have a monitor to review images and recorded quality.
- Be regularly maintained to ensure continuous quality of image capture and retention.
- Member of staff trained in operating CCTV at venue during times open to the public.
- Digital images must be kept for 31 days. The equipment must have a suitable export method, e.g. CD/DVD writer so that Police can make an evidential copy of the data they require. Copies must be available within a reasonable time to Police on request
- An incident logbook shall be kept at the Premises and made available on request to a police officer or authorised officer of the Licensing Authority. The logbook shall record the following and should be completed within 24 hours of the incident:
 - (a) all crimes reported to the IN
 - (b) All ejections of patrons;
 - (c) Any complaints received;
 - (d) Any incidents of disorder at or associated with the premises.
 - (e) All seizures of drugs and offensive weapons;
 - (f) Any faults in the CCTV system.
 - (g) Any refusal of the sale of alcohol
 - (h) any visit by a relevant authority or emergency service.
-

Prevention of public nuisance

- Amplified music and bass shall not be played at a level that will cause unreasonable disturbance to the occupants of any properties in the vicinity.

- No music will be played in, or for the benefit of patrons in any external areas of the premises, including the rear garden.
- The use of the rear garden area shall terminate at 2230 hrs on days when regulated entertainment is being provided.
- All windows and external doors shall be kept closed after 22:30 hours, or at any time when regulated entertainment takes place, except for the immediate access and egress of persons.
- Regulated entertainment shall cease at 00:30 on Fridays.

The Protection of Children from harm

- A 'Think 25' proof of age scheme shall be operated and relevant material shall be displayed prominently within the Premises – including in a visible location: (a) At the entrance to the Premises; (b) Behind the bar; (c) In any other area where alcohol can be purchased by a customer.
- A written record of refused sales shall be kept on the premises and completed when necessary. This record shall be made available to Police and/or the Local Authority upon request and shall be kept for at least one year from the date of the last entry.

Kind Regards
