Please briefly describe the nature of the proposed variation (Please see guidance note 2)

1. **Layout and Size of the Restaurant:** Our proposed variation involves expanding the current premises to accommodate a larger dining area, an outdoor seating section, and additional facilities to enhance the overall dining experience. The new layout will maintain a comfortable and safe environment for our customers while adhering to all relevant regulations.
2. **Opening Time (Alcohol) and Late-Night:** We are seeking to extend our operating hours and would like the proposed variation to be subject to the introduction of the late night. We understand the implications of this and are prepared to comply with its requirements.

Our proposed variation aims to improve our establishment by increasing capacity, introducing outdoor seating (**Pavement License applied separately**), and extending operating hours to better serve our customers. These changes will allow us to offer a more enjoyable and versatile dining experience while adhering to local regulations and promoting the four licensing objectives. We believe our new premises will provide a much needed venue and space for the local community in this part of the Tottenham high road and the wider borough.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend:
