

Dear Sir/Madam,

In relation to the incident on West Green Road on 21/07/2024, I would like to clarify that I am not now nor have ever been an employee of Q Vibes, on 428 West Green Road. I have been asked by the venue manager to clarify this point as a police report bearing my name as an informant has been circulated and identifies me as an employee of Q Vibes.

I can confirm that I did indeed speak to the police on the day of the incident, however this may have been a miscommunication at the time. I do so provide this statement of my own free will and without any promise of remuneration.

Regards,

Signed ........
