Haringey Blue Badge holders 23 Aug 2024

Survey of Disabled People - Haringey's Trial LTNs

Parking Services London Borough of Haringey <parking.services.london.borough.of.haringey@notifications.service.gov.uk>

Dear Blue Badge Holder (or Nominated Contact).

I am writing to you as our records indicate that you hold a Blue Badge or that you are a nominated contact for a Haringey Blue Badge holder.

In 2022, we introduced three Streets for People LTN trials in Bounds Green, Bruce Grove West Green and St. Ann's because we wanted to reduce the overall volume of traffic in and around the area so that more people could walk, cycle and wheel in cleaner air and safer streets.

We recognise that disabled people in London have diverse transportation needs and preferences. Whilst some rely on cars for essential journeys, many others use public transport, adapted bicycles, mobility scooters or walk. Our goal is to ensure that our streets are accessible and safe for all, regardless of how disabled people choose to travel.

In early 2023, we carried out an interim review of the LTNs and made changes to assist disabled people.

The changes included:

 extending the exemptions we offered so that all Blue Badge holders living in Haringey can apply to drive through most of the LTN traffic filters that are enforced by camera (previously, exemptions were available only for Blue Badge holders who lived within or on the immediate boundary of the LTN). Blue badge holders can nominate one vehicle to be granted the exemption and this vehicle can belong to a family, friend or carer who is supporting them allowing special education needs and disabilities (SEND) vehicles to also drive through diagonal traffic filters

You can read more about the range of exemptions that we offer https://www.haringey.gov.uk/ltn-exemptions

Have your say by 20 September 2024

As we approach the end of the low traffic neighbourhood (LTN) trials, the council is very keen to hear how disabled people, including those with a long-term health condition, feel about the trial LTNs.

Responses to the survey will help us better understand the impacts, benefits and challenges that LTNs bring to you and other disabled people.

We welcome your feedback. The easiest way to provide feedback is by completing the online questionnaire https://www.haringey.gov.uk/ltndisabledpersonsurvey

Alternatively, paper copies are available by calling our dedicated LTN phone line on 020 8489 4787 or picking up a copy at:

- Alexandra Park Library, Alexandra Park Road, N22 7UJ
- Broadwater Farm Community Centre, Adams Road, N17 6HG
- Coombes Croft Library Tottenham, High Road, N17 8AG
- · Marcus Garvey Library, 1 Philip Lane, N15 4JA
- · St. Ann's Library, Cissbury Rd, N15 5PU

Wood Green Library, 187-197A High Road, N22 6XD

If you need any assistance in responding, please call 020 8489 4787 or email LTN@Haringev.gov.uk

Do you know someone who is a carer?

A separate survey is being carried out with carers, to seek their view on the trial LTNs. If you know someone who is a carer, please let them know that they can participate in the consultation via: https://www.haringey.gov.uk/ltncarerssurvey

What happens next?

After the consultation closes on 20 September 2024, Haringey Council's Cabinet will take decisions on whether to make the trial LTNs permanent.

The council has been monitoring data such as traffic, air quality, road safety, crime, and bus journey times. This data, together with your feedback, will help inform the council's decisions which are expected to be taken on 10 December 2024.

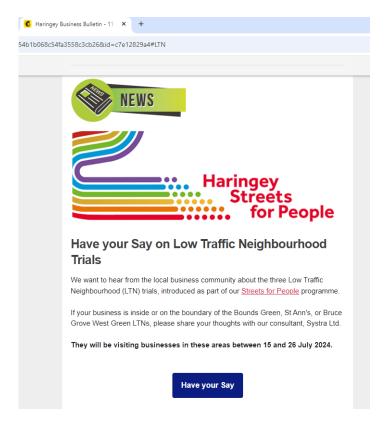

For further information please visit https://www.haringey.gov.uk/haringey-streets-people

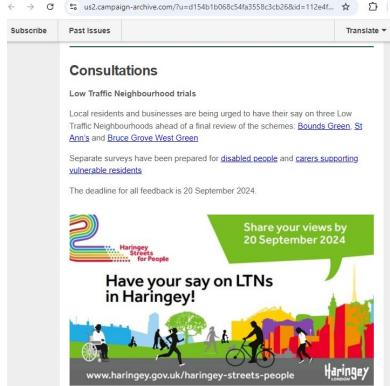

Yours sincerely

LTN Team Haringey Council

BRUCE GROVE WEST GREEN LOW TRAFFIC NEIGHBOURHOOD TRIAL

As we approach the end of the low traffic neighbourhood (LTN) trial, we are seeking your views. Your feedback, together with data we have collected and are analysing, will enable the council to decide whether to make the LTN permanent.

Background

On 1 November 2022, we introduced our Streets for People LTN trial in Bruce Grove West Green because we wanted to reduce the overall volume of traffic in and around the area so that the community can walk, cycle and wheel in cleaner air and safer streets.

The trial LTN was created by introducing traffic filters which prevent motor vehicles from passing through, unless they have an exemption. The aim was to reduce the number of motor vehicles cutting through local streets and to encourage, where possible, local journeys to be taken by sustainable modes.

The filters all have traffic signs, most have planters and are enforced by cameras allowing police, fire and ambulance service vehicles to pass through. All properties within an LTN are accessible by motor vehicle, but the route taken to reach them may have had to change.

We introduced the LTN with exemptions in place which allow anyone to apply to the council for permission to drive through some of the traffic filters if they meet our exemption criteria.

Interim LTN review

In early 2023, after the trial scheme had been in place for a short time, we asked you for feedback on how the LTN was working and whether you wanted the council to make any changes.

After listening to all feedback received, including from disability and community groups, and analysing the before and after data we introduced some improvements on 4 September 2023.

For Bruce Grove West Green LTN, we:

- extended the exemptions we offered so that all Blue Badge holders living in Haringey could apply to drive through most of the traffic filters that are enforced by camera (previously, exemptions were available only for Blue Badge holders who lived within or on the immediate boundary of the LTN)
- allowed special education needs and disabilities (SEND) vehicles to also drive through diagonal traffic filters
- removed the traffic filter at Linley Road to allow motor vehicles to enter and exit the road
- removed the traffic filter at Moorefield Road and returned it back to one way, northbound, towards the A10
- changed the traffic filter at The Avenue near Sperling Road and allowed motor vehicles to travel westbound from Bruce Grove towards Broadwater Farm

We also introduced a separate trial ban of heavy goods vehicles (HGV), that weigh over 7.5 tonnes, on B155 Downhills Way / Belmont Road to help reduce an increase in these vehicles.

As these LTN improvements were changing how people move around by car, we introduced them under a new trial.

The two new trials started on 4 September 2023, and each can legally remain in place for a maximum of 18 months, to 3 March 2025. The first six months of the trials provided a statutory consultation period when formal objections to the traffic order could be made, this period ended on 3 March 2024.

LTN exemptions are available for:

- Haringey Blue Badge holders
- People with health conditions and professional carers who meet the Individual Circumstances criteria
- Urgent safety matters
- Special educational needs and disabilities (SEND) transport
- Haringey services transporting people with disability and Transport for London's Dial-a-Ride service
- Council refuse and cleansing services
- Emergency services

Have your say by 20 September 2024

We welcome your feedback; the easiest way to provide this is by completing the online questionnaire **brucegrovewestgreenltn.commonplace.is**

You can also reach the questionnaire by scanning the QR code.

Paper copies of the questionnaire are available by calling our dedicated LTN phone line on 020 8489 4787. Alternatively, you can pick up a copy at:

- Alexandra Park Library, Alexandra Park Road, N22 7UJ
- Broadwater Farm Community Centre, Adams Road, N17 6HG
- Coombes Croft Library Tottenham, High Road, N17 8AG
- Marcus Garvey Library, 1 Philip Lane, N15 4JA
- St. Ann's Library, Cissbury Rd, N15 5PU
- Wood Green Library, 187-197A High Road, N22 6XD

You can return a completed paper questionnaire by sending it to the following Freepost address (no stamp required):

BRUCE GROVE WEST GREEN LTN QUESTIONNAIRE

Haringey Council is conducting this questionnaire to understand how you feel about the trial Low Traffic Neighbourhood (LTN).

Your response will help us better understand any impacts, benefits or challenges that the LTN brings to you.

We introduced the trial LTN because we wanted to reduce the overall volume of traffic in and around the area so that the community can walk, cycle and wheel in cleaner air and safer streets.

The trial LTN is designed to create Streets for People, part of our ambition to create a fairer, greener borough.

The questionnaire comprises of four sections:

- A. About you
- B. About your experience of the trial LTN
- C. About your experience with exemptions
- D. Equality monitoring (optional)

For further information please visit: www.haringey.gov.uk/ haringey-streets-people

All responses must reach the council by 20 September 2024

Thank you for your participation

C - Your views on LTN exemptions

This section asks your views on the various LTN exemptions that we offer.

An exemption allows people to drive through some of our camera enforced traffic filters. You will recognise the filters as most have planters and signage.

We offer a range of exemptions, including for any Haringey Blue Badge holders and applications can also be made under our Individual Circumstances criteria.

For further details about the LTN exemptions please visit: www.haringey.gov.uk/ltn-exemptions

D - Equality Monitoring - Optional

The following questions are optional; you are not required to provide answers. However, your response will help us understand how the LTNs may affect some of the protected characteristics outlined in the Equality Act 2010.

Collecting, analysing, and using equalities information helps us to understand how our policies and activities are affecting various sections of our communities and helps us to identify any inequalities that may need to be addressed. We will be grateful if you could complete this form. The information you provide on this form will be held in the strictest confidence and only be used for the purpose stated above.

D1. Age		
Which age group applies to you?

SURVEY OF DISABLED PEOPLE - HARINGEY'S TRIAL LTNs

As we approach the end of the low traffic neighbourhood (LTN) trials, we are seeking your views. Your feedback, together with data we have collected and are analysing, will enable the council to decide whether to make the LTNs permanent.

Haringey Council is conducting this survey to understand how disabled people, including those with a long-term health condition, feel about the trial LTNs. Your responses will help us better understand the impacts, benefits and challenges that LTNs bring to you and other disabled people.

Background

In 2022, we introduced our three Streets for People LTN trials in Bounds Green, Bruce Grove West Green and St. Ann's because we wanted to reduce the overall volume of traffic in and around the area so that more people can walk, cycle and wheel in cleaner air and safer streets.

The trial LTNs were created by introducing traffic filters which prevent motor vehicles from passing through, unless they have an exemption. The aim was to reduce the number of motor vehicles cutting through local streets and to encourage, where possible, local journeys to be taken by sustainable modes.

The filters all have traffic signs, most have planters and are enforced by cameras allowing police, fire and ambulance service vehicles to pass through. All properties within an LTN are accessible by motor vehicle, but the route taken to reach them may have had to change.

We introduced the LTNs with exemptions in place which allow anyone to apply to the council for permission to drive through some of the traffic filters if they meet our exemption criteria.

Interim LTN review

In early 2023, after the trials had been in place for a short time, we asked for feedback on how the LTNs were working and whether you wanted the council to make any changes. After listening to all feedback received, including from disability and community groups, and analysing the before and after data we introduced some improvements on 4 September 2023.

The changes included:

 extended the exemptions we offered so that all Blue Badge holders living in Haringey could apply to drive through most of the traffic filters that are enforced by camera (previously, exemptions were available only for Blue Badge holders who lived within or on the immediate boundary of the LTN)

 allowing special education needs and disabilities (SEND) vehicles to also drive through diagonal traffic filters

As these LTN improvements were changing how people move around by car, we introduced them under new trials.

The new trials started on 4 September 2023, and each can legally remain in place for a maximum of 18 months, to 3 March 2025. The first six months of the trials provided a statutory consultation period when formal objections to the traffic order could be made, this period ended on 3 March 2024.

LTN exemptions are available for:

- Haringey Blue Badge holders
- People with health conditions and professional carers who meet the Individual Circumstances criteria
- Urgent safety matters
- Special educational needs and disabilities (SEND) transport
- Haringey services transporting people with disability and Transport for London's Dial-a-Ride service
- Council refuse and cleansing services
- Emergency services

Have your say by 20 September 2024

We welcome your feedback; the easiest way to provide this is by scanning the QR code and completing the online questionnaire which can also be found at www.haringey.gov.uk/ Itndisabledpersonsurvey

Alternatively, you can complete this paper survey and return it to us using the following Freepost address (no stamp required):

Frontline Consultation Freepost Plus RTKX-AJJC-ULRY London Borough of Haringey 10 Station Road Level 4. Alexandra House London, N22 7TY

All responses must reach the council by 20 September 2024.

Are you a carer?

A separate survey is being carried out with carers, to seek their view on the LTN. If you are a carer you can participate via: www.haringey.gov.uk/ **Itncarerssurvey**

What happens next?

After the consultation closes on 20 September 2024, Haringey Council's Cabinet will take decisions on whether to make the trial LTNs permanent.

The council has been monitoring data such as traffic, air quality, road safety, crime, and bus journey times.

This data, together with your feedback, will help inform the council's decisions which are expected to be taken on 10 December 2024.

The questionnaire comprises of five sections:

- 1. About you
- 2. About your experience of the trial LTNs
- 3. About your experience with exemptions
- 4. Equality monitoring (optional)
- 5. Your feedback on this questionnaire (optional, but your answers will help us continually improve how we engage)

Thank you for your participation

Section 2: Your experience with our three trial Low Traffic Neighbourhoods (LTNs)

In 2022, we introduced our Streets for People Low Traffic Neighbourhood trials in Bounds Green, St Ann's and Bruce Grove West Green because we wanted to reduce the overall volume of traffic in and around the area, enable safer walking, cycling and wheeling so that the whole community can benefit from cleaner air and safer streets.

The trial schemes were created by introducing traffic filters in several places that do not allow motor vehicles to drive through. The filters all have traffic signs, most have planters and are enforced by cameras allowing police, fire and ambulance service vehicles to pass through. All properties within an LTN are accessible by motor vehicle, but the route taken to reach them may have had to change.

For further information about LTNs please visit www.haringey.gov.uk/haringey-streets-people

14. How aware are you of the trial	LTNs in Ha	ringey?				
☐ Very aware ☐ Aware		Neither aw	are or unawa	are	Unaware	
☐ Very unaware ☐ Prefer not	to say					
15. In general, how do you feel abo	ut the trial	LTNs?				
Very	positive	Positive 1	Neutral N	egative Ve	ry negative	Don't know
Bounds Green LTN						
Bruce Grove West Green LTN						
St. Ann's LTN						
16. Since the trial LTNs were introd	duced, has	the way you	travel chan	ged?

Section 3: Your experience with LTN exemptions

An exemption allows people to drive through some of our camera enforced traffic filters. You will recognise the filters as they have planters and signage.

All Blue Badge holders living in Haringey can apply for a Blue Badge exemption and can nominate one vehicle that either belongs to themselves, a carer, or family member / friend that may care for them. Professional carers supporting residents in Haringey can also apply for an exemption under our Individual Circumstances criteria.

For further details about the LTN exemptions please visit: www.haringey.gov.uk/ltn-exemptions

Section 4: Equality Monitoring – Optional

The following questions are optional; you are not required to provide answers. However, your response will help us understand how the LTNs may affect some of the protected characteristics outlined in the Equality Act 2010.

Collecting, analysing, and using equalities information helps us to understand how our policies and activities are affecting various sections of our communities and helps us to identify any inequalities that may need to be addressed. We will be grateful if you could complete this section. The information you provide on this form will be held in the strictest confidence and only be used for the purpose stated above.

SURVEY OF CARERS -HARINGEY'S TRIAL LTNs

As we approach the end of the low traffic neighbourhood (LTN) trials, we are seeking your views. Your feedback, together with data we have collected and are analysing, will enable the council to decide whether to make the trial LTNs permanent.

Haringey Council is conducting this survey to understand how carers feel about the trial LTNs. Your response will help us better understand the impacts, benefits and challenges that the LTNs bring to you and those that you care for.

1532.55 LTN carers questionnaire A4.indd 1 16/08/2024 9:

Background

In 2022, we introduced our three Streets for People LTN trials in Bounds Green, Bruce Grove West Green and St. Ann's because we wanted to reduce the overall volume of traffic in and around the area so that more people can walk, cycle and wheel in cleaner air and safer streets.

The trial LTNs were created by introducing traffic filters which prevent motor vehicles from passing through, unless they have an exemption. The aim was to reduce the number of motor vehicles cutting through local streets and to encourage, where possible, local journeys to be taken by sustainable modes.

The filters all have traffic signs, most have planters and are enforced by cameras allowing police, fire and ambulance service vehicles to pass through. All properties within an LTN are accessible by motor vehicle, but the route taken to reach them may have had to change.

We introduced the LTNs with exemptions in place which allow anyone to apply to the council for permission to drive through some of the traffic filters if they meet our exemption criteria.

Interim LTN review

In early 2023, after the trials had been in place for a short time, we asked for feedback on how the LTNs were working and whether you wanted the council to make any changes. After listening to all feedback received, including from disability and community groups, and analysing the before and after data we introduced some improvements on 4 September 2023.

The changes included:

 extended the exemptions we offered so that all Blue Badge holders living in Haringey could apply to drive through most of the traffic filters that are enforced by camera (previously, exemptions were available only for Blue Badge holders who lived within or on the immediate boundary of the LTN)

 allowing special education needs and disabilities (SEND) vehicles to also drive through diagonal traffic filters

As these LTN improvements were changing how people move around by car, we introduced them under new trials.

The new trials started on 4 September 2023, and each can legally remain in place for a maximum of 18 months, to 3 March 2025. The first six months of the trials provided a statutory consultation period when formal objections to the traffic order could be made, this period ended on 3 March 2024.

LTN exemptions are available for:

- Haringey Blue Badge holders
- People with health conditions and professional carers who meet the Individual Circumstances criteria
- Urgent safety matters
- Special educational needs and disabilities (SEND) transport
- Haringey services transporting people with disability and Transport for London's Dial-a-Ride service
- Council refuse and cleansing services
- Emergency services

Have your say by 20 September 2024

We welcome your feedback; the easiest way to provide this is by scanning the QR code and completing the online questionnaire which can also be found at

www.haringey.gov.uk/ltncarerssurvey

Alternatively, you can complete this paper survey and return it to us using the following Freepost address (no stamp required):

Frontline Consultation Freepost Plus RTKX-AJJC-ULRY London Borough of Haringey 10 Station Road Level 4, Alexandra House London, N22 7TY

All responses must reach the council by 20 September 2024.

Do you consider yourself disabled?

A separate survey is being carried out with disabled people, to seek their view on the LTN. If you are disabled you can participate via:

www.haringey.gov.uk/ Itndisabledpersonsurvey

What happens next?

After the consultation closes on 20 September 2024, Haringey Council's Cabinet will take decisions on whether to make the trial LTNs permanent.

The council has been monitoring data such as traffic, air quality, road safety, crime, and bus journey times.

This data, together with your feedback, will help inform the council's decisions which are expected to be taken on 10 December 2024.

The questionnaire comprises of six sections:

- 1. About you
- 2. About the person you care for
- 3. About your experience of the trial LTN
- 4. About your experience with exemptions
- 5. Equality monitoring (optional)
- 6. Your feedback on this questionnaire (optional, but your answers will help us continually improve how we engage)

Thank you for your participation

Section 3: Your experience with our three trial Low Traffic Neighbourhoods (LTNs)

In 2022, we introduced our Streets for People Low Traffic Neighbourhood trials in Bounds Green, St Ann's and Bruce Grove West Green because we wanted to reduce the overall volume of traffic in and around the area, enable safer walking, cycling and wheeling so that the whole community can benefit from cleaner air and safer streets.

The trial schemes were created by introducing traffic filters in several places that do not allow motor vehicles to drive through. The filters all have traffic signs, most have planters and are enforced by cameras allowing police, fire and ambulance service vehicles to pass through. All properties within an LTN are accessible by motor vehicle, but the route taken to reach them may have had to change.

For further information about LTNs please visit www.haringey.gov.uk/haringey-streets-people

20. How aware are you of the trial LTNs in Haringey?										
☐ Very aware ☐ Aware ☐ Neither aware or unaware ☐ Unaware										
☐ Very unaware ☐ Prefer not	Very unaware Prefer not to say									
24. In concret have do you feel shout the trial LTNs2										
21. In general, how do you feel abou	ut the trial L	TNs?

Section 4: Your experience with LTN exemptions

An exemption allows people to drive through some of our camera enforced traffic filters. You will recognise the filters as they have planters and signage.

All Blue Badge holders living in Haringey can apply for a Blue Badge exemption and can nominate one vehicle that either belongs to themselves, a carer, or family member / friend that may care for them.

Professional carers supporting residents in Haringey can also apply for an exemption under our Individual Circumstances criteria.

For further details about the LTN exemptions please visit: www.haringey.gov.uk/ltn-exemptions

32. Exemptions	
Did you know the council offers LTN exemptions? Yes No	
33. Applying for an exemption	
Do you know how to apply for an exemption and do you	have an exemption?

Section 5: Equality Monitoring - Optional

The following questions are optional; you are not required to provide answers. However, your response will help us understand how the LTNs may affect some of the protected characteristics outlined in the Equality Act 2010.

Collecting, analysing, and using equalities information helps us to understand how our policies and activities are affecting various sections of our communities and helps us to identify any inequalities that may need to be addressed. We will be grateful if you could complete this section. The information you provide on this form will be held in the strictest confidence and only be used for the purpose stated above.

40. Age						
Which age group applies to you?						
☐ Under 17 ☐ 22-29	40-49 60	-74 Prefer not to say
