Dear Licensing Team

The Noise and Nuisance Team are concerned that the application lacks detail – they describe the business as a “Latino restaurant” and make no reference to requirement for regulated entertainment (such as live or recorded music provided for patrons post 11pm). We are also concerned that the hours requested for the offer of late-night refreshments and off sales as late as 02:00hours on Friday and Saturday may give rise to public nuisance or contribute to crime and disorder. They have also requested opening times until 01:00 hours on other days with does not offer local residents much respite from public nuisance since they have also requested opening times as early as 07:00hours.

We are regularly called to visit and investigate complaints about loud music, public nuisance and crime associated with premises in West Green Road and the applicant has not provided sufficient detail about the measures they will take to counteract this. West Green Road is a mixed-use area (commercial and residential premises the main uses here).

The applicant has provided an operating scheduled but many of the conditions therein lack detail or are not clear about how they will uphold all 4 of the licencing objectives. We have not been able to contact the applicant to request further information or clarification and therefore recommend this application is refused.

Yours sincerely

**Jennifer Barrett**
