### Significant decisions - Delegated Action - For Reporting to March Cabinet

♦ denotes background papers are Exempt.

No	Date approved by Director	Title	Decision
3.	12 December 2024	This report seeks to extend the contract with Vivacity Labs Ltd to deliver multi-modal traffic monitoring of measures to be implemented as part of the Council's Walking and Cycling Action Plan.	In line with CSO 10.02.1a and 10.02.2, to approve an extension of the contract with Vivacity Labs Ltd to transfer additional four cameras from University of Westminster/ University of London to Haringey Council and alignment of all existing sensors delivery timeline to December 2027, at an additional cost of £21,410.76 (excl. VAT) bringing the total value of the contract to £192,454.76.
4.	10 January 2025	<b>Approval of Implementation of Standing Order 7.01b for award of contract</b>	To approve the implementation of Contract Standing Order 7.01b) by awarding a contract to Valtech Ltd.
5.	13 <sup>th</sup> February 2025	<b>For the Assistant Director of Resident Experience to approve the implementation of Contract Standing Order 9.07.1 and award a contract to Advance Labelling Ltd.</b>	This is for the signage overlays for event days. It is purely a cost saving VFM exercise due to the Council's current financial constraints. Our current supplier charges £94.95 per roll and Advance Labelling has quoted £44.40 per roll.
