Hello,

To the Licensing department -

As far as I am aware the new owner is in the United Kingdom with an 'Ankar agreement visa' and taken over the shop without knowing the problems the shop has had in the past. I see no harm in re-licensing this shop and I support this shop having Alcoholic So I can't P1 a fact when I would rather than walk for the first time in the shop.

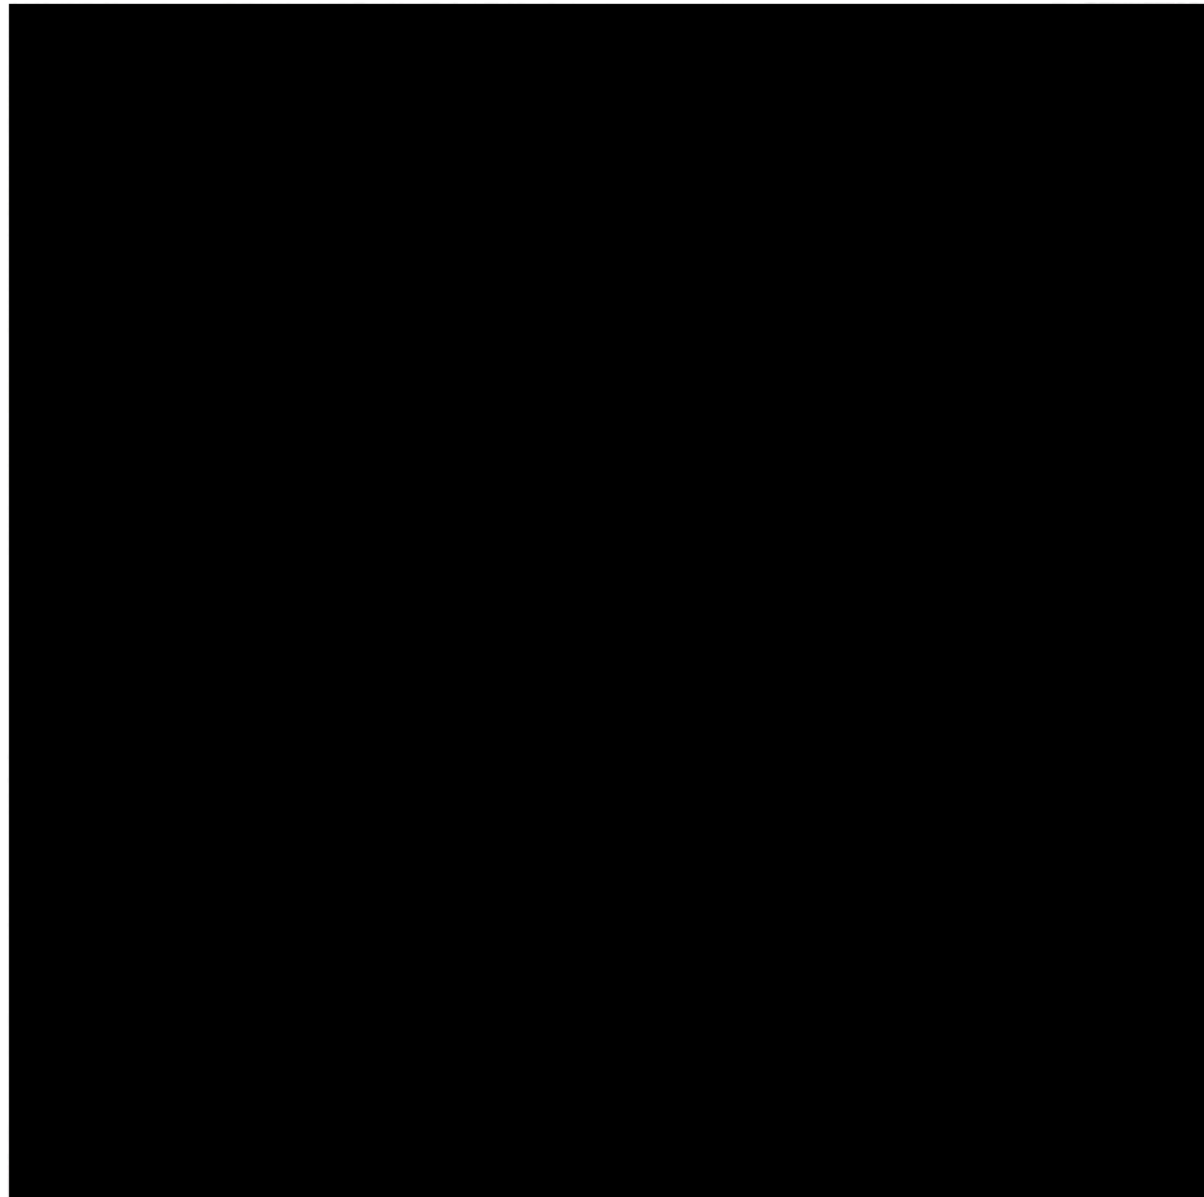

Thanks Regards

As a resident in Crown End
Ne 2 Road I find the shop
is very handy for me

The new owner is so helpful
and recently has done the parcels
for every road which are
promptly sent never had no
problem, also does the electric
key which comes from
local residents.

I do not see any harm in
this licence application and I
fully support it.

New owners cannot be
responsible for the previous
owners actions!

So kind and polite and
always time for a smile and
chat.

Yours Sincerely

Regards
