General Actions - Provide a narrative of what happened, when, where, who was involved and why.		NA42N - 1501NA and 1894NA CAD 272/14022025 **AFFRAY** Officers attended the Hornsey Tavern pub after they pressed their panic alarm. Shortly before, they had called in on CAD 53/14FEB25 stating that a group of Irish Travelling

	community people were causing a disruption in the pub and having verbal arguments however when police arrived the staff had decided that it had quietened down and they were happy for them to stay. Police then returned and there was a fight happening between the people of the travelling community. They were all heavily intoxicated and they were throwing drinks and arguing with each other. Shannon, who works for the bar, has then attempted to break up the fight. [REDACTED] has tried to get out the back door of the pub to attempt to get to her husband who was in a separate altercation outside, however Shannon has prevented this. In the process she has been pushed out the way causing a glass to smash and hurt her hand. Her injury was seen to by YR medic. Police separated the parties and gathered details of what happened. [REDACTED] was identified as the one who has pushed passed Shannon. Details and address were ascertained for her should Shannon wish to pursue with any charges. The group were permanently banned from the pub for any future events. A intelligence report was created. No CCTV was viewed however the staff stated they would check and review it.
